ChatGPT Prompts for Freelance Writers: 150 Work-Ready Prompts

This digital product is designed to transform your writing workflow from manual labor to strategic automation. These 150 prompts are engineered for speed, precision, and client satisfaction. Each prompt includes specific placeholders like `[NICHE]`, `[TOPIC]`, `[CLIENT]`, or `[PLATFORM]` to ensure immediate adaptability. Copy, paste, fill in the brackets, and execute.

Client Pitching

1. ****The Direct Cold Email (Tech):**** Write a 100-word cold email to a CTO at a SaaS company in the [NICHE] industry. Highlight my recent article on [TOPIC] and propose a case study on how their platform solves [PROBLEM]. Keep the tone professional but punchy.
2. ****The Value-First Proposal (Health):**** Draft a proposal for a health blog. Explain how my expertise in [NICHE] can help them rank for [KEYWORD]. Include three specific article ideas that address common reader pain points regarding [TOPIC].
3. ****The Follow-Up Nudge (Finance):**** Write a polite, 50-word follow-up email to a finance editor who hasn't responded to my pitch about [TOPIC]. Reiterate the relevance to their current audience trends without sounding desperate.
4. ****The Niche Authority Pitch (B2B):**** Create a pitch for a B2B marketing agency. Position me as a subject matter expert in [NICHE]. Explain how I can ghostwrite LinkedIn thought leadership for their clients in the [INDUSTRY] sector.
5. ****The "Gap" Pitch (Lifestyle):**** Identify a content gap in [CLIENT]'s lifestyle blog. Write a

pitch suggesting three articles on [TOPIC] that their competitors are ignoring, focusing on emerging trends in [SUB-TOPIC].

6. ****The Upwork Cover Letter (Tech):**** Write a winning Upwork cover letter for a job posting requiring a technical writer for [PRODUCT]. Mention my experience with [SKILL] and provide a 3-step plan for how I will approach the first deliverable.

7. ****The Retainer Pitch (Health):**** Draft an email to a previous client proposing a monthly retainer for four articles a month on [NICHE]. Emphasize the benefit of consistent voice and reduced onboarding time.

8. ****The Spec Piece Offer (Finance):**** Write a pitch offering to write a "spec" (unpaid sample) article on [TOPIC] for [CLIENT] to demonstrate my ability to match their tone, with the condition that it will be credited to me as a portfolio piece.

9. ****The Referral Ask (B2B):**** Write a short email to a former colleague asking for referrals to clients who need help with [NICHE] content. Keep it casual and low-pressure.

10. ****The Webinar Pitch (Tech):**** Pitch a webinar script for [CLIENT]'s B2B audience. The topic is [TOPIC]. Outline three key takeaways that will generate leads for their [SERVICE].

11. ****The Ghostwriting Pitch (Lifestyle):**** Pitch a ghostwriting service for a celebrity/influencer in the [NICHE] space. Focus on how I can translate their [CHARACTERISTIC] personality into long-form blog posts about [TOPIC].

12. ****The Content Audit Pitch (Finance):**** Write a proposal for a content audit of [CLIENT]'s finance blog. Explain how I will analyze their top-performing posts on [TOPIC] to create a 3-month content calendar.

13. ****The Newsletter Pitch (Tech):**** Pitch a weekly newsletter format for a tech startup. The focus is [TOPIC]. Explain how I will curate news and add my own commentary to keep subscribers engaged.

14. ****The Case Study Pitch (B2B):**** Draft a pitch to write a customer success story for [CLIENT]. Explain how I will interview their client in the [NICHE] industry to highlight ROI from using [PRODUCT].

15. ****The White Paper Pitch (Health):**** Propose a white paper on [TOPIC] for a medical device company. Outline the executive summary and the three main data points I will synthesize from recent studies.

16. **The Social Media Content Pitch (Lifestyle):** Pitch a 30-day social media content plan for a lifestyle brand. Focus on [TOPIC] and include a mix of educational carousels and personal storytelling.
17. **The Job Description Response (Tech):** Answer the specific questions in this job description:
[PASTE JOB DESCRIPTION]. Focus on how my background in [NICHE] makes me the ideal candidate for [ROLE].
18. **The Cross-Promotion Pitch (Finance):** Write an email to a complementary finance blog proposing a guest post exchange. Suggest a topic on [TOPIC] that bridges both audiences.
19. **The Crisis Comms Draft (B2B):** Pitch a service to handle press releases and crisis communications for [INDUSTRY] startups. Highlight my experience writing for [PREVIOUS CLIENT].
20. **The Portfolio Update Email (Lifestyle):** Write an email to a list of past clients announcing my new portfolio site. Highlight my new focus on [NICHE] and ask if they have any upcoming projects.

Research and Outline

21. **The 5-Second Summary (Tech):** Summarize this complex technical article on [TOPIC] in 5 sentences. Focus on the implications for [AUDIENCE].
22. **The Counter-Argument Finder (Health):** List five common myths surrounding [TOPIC] in the [NICHE] industry. For each, provide a scientific counter-argument with a citation placeholder.
