ChatGPT Prompts for Etsy Sellers: 100 Listing + Marketing Prompts

1. Product Listing Copy (30 Prompts)

****SEO-Optimized Titles with Keywords****

1. "Act as an Etsy SEO expert. Generate 5 title options for a [Product Name] that include long-tail keywords related to [Target Audience] and [Occasion]. Keep titles under 140 characters. Best for: Printables."
2. "Create a title for a [Handmade Item] that highlights the material [Material], the style [Style], and the primary use case. Use natural language rather than keyword stuffing. Best for: Handmade."
3. "Write a title for a [Vintage Item] that includes the decade [Decade], the brand [Brand if applicable], and the condition [Condition]. Ensure it sounds authentic to the era. Best for: Vintage."
4. "Generate a title for a digital download that emphasizes the file format (e.g., PDF, PNG) and the specific niche (e.g., wedding planner, business budget). Best for: Printables."
5. "Draft a title for a custom [Product Type] that includes placeholders for personalization details like [Name/Date]. Best for: Handmade."
6. "Create a title for a [Product] targeting [Season/Holiday]. Include emotional triggers like 'gift,' 'keepsake,' or 'celebration.' Best for: Printables."
7. "Write a title for a [Home Decor Item] that focuses on aesthetic trends like [Boho/Minimalist/Industrial]. Best for: Handmade."
8. "Generate a title for a [Clothing Item] that mentions fit details (e.g., 'oversized,' 'fitted') and fabric comfort. Best for: Handmade."
9. "Create a title for a [Digital Asset] that targets small business owners. Include keywords like

'editable,' 'Canva template,' or 'instant download.' Best for: Printables."

10. "Write a title for a [Vintage Collectible] that includes specific model numbers or rarity indicators to attract serious collectors. Best for: Vintage."

****Compelling Product Descriptions****

11. "Write a 300-word description for a [Product] that tells a story about why I made it. Focus on the emotional connection for [Target Customer]. Best for: Handmade."

12. "Create a benefit-driven description for a [Printable Planner]. Highlight how it solves the problem of [Specific Pain Point]. Use short paragraphs and bullet points. Best for: Printables."

13. "Draft a description for a [Vintage Item] that authenticates its age and history. Include details about wear and tear to manage expectations. Best for: Vintage."

14. "Write a description for a [Digital Download] that clearly explains the process of downloading and using the file. Remove all ambiguity. Best for: Printables."

15. "Create a description for a [Handmade Jewelry Piece] that focuses on the craftsmanship and the unique properties of the [Material]. Best for: Handmade."

16. "Write a description for a [Gift Box] that focuses on the unboxing experience and presentation quality. Best for: Handmade."

17. "Draft a description for a [Vintage Costume] that includes sizing instructions and historical context for the era. Best for: Vintage."

18. "Create a description for a [Digital Wall Art] that includes print size recommendations and framing advice. Best for: Printables."

19. "Write a description for a [Custom Portrait] that outlines the revision policy and the steps for sending reference photos. Best for: Handmade."

20. "Draft a description for a [Bulk Digital Pack] that lists exactly what is included in the bundle to justify the price point. Best for: Printables."

****Bullet Point Features Sections****

21. "Generate 5 bullet points highlighting the key features of a [Product]. Focus on durability, ease of use, and aesthetic appeal. Best for: Handmade."

22. "Create 5 bullet points for a [Printable] that list the file types included, page count, and compatible devices. Best for: Printables."

23. "Write 5 bullet points for a [Vintage Item] detailing the dimensions, materials, and any included accessories. Best for: Vintage."

24. "Draft 5 bullet points for a [Digital Template] that explain the customization options available in Canva. Best for: Printables."

25. "Create 5 bullet points for a [Handmade Bag] that highlight the interior pockets, strap

adjustability, and cleaning instructions. Best for: Handmade."

26. "Write 5 bullet points for a [Board Game] that list the player count, age range, and playtime. Best for: Handmade."

27. "Generate 5 bullet points for a [Digital Sticker Pack] that specify the pixel dimensions and background transparency. Best for: Printables."

28. "Create 5 bullet points for a [Vintage Furniture Piece] that highlight the restoration work performed and original wood type. Best for: Vintage."

29. "Draft 5 bullet points for a [Candle] that list the scent notes, burn time, and wick type. Best for: Handmade."

30. "Write 5 bullet points for a [Digital Ebook] that summarize the chapters and the key takeaways for the reader. Best for: Printables."

****FAQs and Shipping Policy Wording****

31. "Write a 3-question FAQ section for a [Digital Product] addressing download issues, licensing rights, and refund policy. Best for: Printables."
