20 YouTube Video Script Templates for Creators

Welcome to your comprehensive toolkit. Below are 20 high-converting script templates designed to streamline your production process. Each template includes specific hook variations, structural guidance, and call-to-action options. Use these frameworks to maintain consistency while injecting your unique personality.

Template 1: The List Video ("10 Things That...")

****Hook Options:****

1. "If you're still making these 10 mistakes in [Topic], you are leaving money/growth on the table."
2. "I tested 50 methods for [Topic], and only these 10 actually work."
3. "Stop scrolling. Here are the 10 secrets [Competitor/Industry] doesn't want you to know."

****Content Guidance:****

* ****Intro (0:00-0:45):**** Briefly state the problem. Promise the outcome of watching the video (e.g., "By the end, you'll have a complete system").

* ****The List (0:45-8:00):**** Keep each item under 45 seconds. Use a "Problem -> Solution -> Proof" structure for each item. Use visual lower thirds for the number.

* ****The "Best" Item:**** Save your most valuable or surprising tip for #1 or #9 to maximize retention before the end.

****Outro CTAs:****

1. "Which of these 10 are you already doing? Let me know in the comments."
2. "If you found value, hit subscribe so you don't miss the next list."
3. "Want a deeper dive into #3? Click this video right here."

Template 2: Tutorial / How-To

****Hook Options:****

1. "In the next 5 minutes, I'll show you exactly how to [Result] without [Common Pain Point]."
2. "Struggling with [Task]? This is the step-by-step guide I wish I had three years ago."
3. "Here is the exact workflow I use to [Achieve Result] every single day."

****Content Guidance:****

- * ****Problem Setup:**** Acknowledge the frustration. Show a "Before" state.
- * ****Step-by-Step:**** Break the process into 3-5 major phases. Use screen recordings or close-ups.
- * ****Common Mistakes Section:**** After the main steps, add a segment: "Wait, don't do this." List 2-3 critical errors to avoid. This adds significant perceived value.

****Outro CTAs:****

1. "Download the free checklist for this tutorial in the description."
2. "Subscribe for weekly tutorials on [Niche]."
3. "What's the next skill you want to learn? Comment below."

Template 3: Review Video

****Hook Options:****

1. "Is the [Product Name] actually worth the hype, or is it another scam? I bought it so you don't have to."
2. "After 30 days of using [Product], here's my honest, unfiltered verdict."
3. "Don't buy [Product] until you watch this. There are 3 major flaws nobody talks about."

****Content Guidance:****

- * ****Context:**** Who is this for? Who should ignore it?
- * ****Features Walkthrough:**** Focus on benefits, not just specs. Show it in action.
- * ****Pros/Cons:**** Use a split-screen graphic. Be brutally honest about cons.
- * ****Verdict:**** Give a clear recommendation (Buy, Skip, or Wait for sale).

****Outro CTAs:****

1. "Link to the best discount code is in the description."
2. "Have you used this product? Share your experience below."
3. "Check out my review of [Competitor Product] here."

Template 4: Opinion / Hot Take

****Hook Options:****

1. "Unpopular opinion: [Common Belief] is completely wrong, and here's why."
2. "We need to talk about why [Industry Trend] is ruining [Target Audience]."
3. "I think [Popular Figure/Brand] is making a massive mistake, and it's costing them millions."

****Content Guidance:****

- * ****Stakes:**** Why does this opinion matter? What is at risk for the viewer?
- * ****Argument:**** Present 2-3 strong pieces of evidence or logic.
- * ****Counterarguments:**** Acknowledge the opposing view, then dismantle it respectfully but firmly.
- * ****Conclusion:**** Reiterate your stance clearly.

****Outro CTAs:****

1. "Do you agree or disagree? I want to hear your counter-argument in the comments."
2. "If you value honest opinions, subscribe."
3. "Read the full breakdown of my argument in the pinned comment."

Template 5: Story Time / Personal Experience

****Hook Options:****

1. "I almost quit [Career/Hobby] because of one single decision I made last year."
2. "This is the story of how I went from [Low Point] to [High Point] in just 6 months."
3. "Nobody warned me about what happens when you [Action]. Here is what I learned."

****Content Guidance:****

- * ****Narrative Arc:**** Start in the middle of the action (in media res). Flashback to the setup.
- * ****Emotional Beat:**** Identify the moment of highest tension or emotion. Slow down the editing here.
- * ****The Lesson:**** Connect the story to a universal truth or actionable advice for the viewer.

****Outro CTAs:****

1. "Has this ever happened to you? Share your story below."
2. "Subscribe to hear more of my journey."
3. "Watch my previous video on [Related Topic] here."

Template 6: Day in the Life

****Hook Options:****

1. "Come with me for a full 24 hours as a [Profession/Hobbyist]."
2. "Here's what a 'perfect' day actually looks like when you're [Status]."
3. "I tried to optimize every minute of my day. Here's what happened."

****Content Guidance:****

- * ****Segments:**** Break the day into 4-5 key blocks (Morning, Work, Downtime, Evening).
- * ****Transitions:**** Use B-roll of clocks, locations, or activities to jump cuts. Keep energy high.
- * ****Value Injection:**** Don't just show; explain **why** you do things a certain way.

****Outro CTAs:****

1. "What time do you usually wake up? Let me know below."
2. "Subscribe for more behind-the-scenes content."
3. "Want to know my full setup? Click this video."

Template 7: Challenge Video

****Hook Options:****

1. "I tried [Extreme Action] for 24 hours. I regret it."
2. "Can you really [Goal] in just 7 days? Let's find out."
3. "I challenged myself to [Constraint]. The results were shocking."

****Content Guidance:****

- * ****Setup:**** Define the rules and stakes clearly.
- * ****Execution:**** Show the struggle. Highlight moments of failure and small wins.
- * ****Result Reveal:**** End with the final outcome. Did you succeed? What was the cost?

****Outro CTAs:****

1. "Would you try this challenge? Comment 'YES' if you'd try it."
2. "Subscribe to see if I try this again next month."
3. "Watch my last challenge here."

Template 8: Versus / Comparison

****Hook Options:****

1. "[Product A] vs [Product B]: Which one is actually better?"
2. "I bought both [Option A] and [Option B] so you don't have to choose wrong."
3. "The ultimate showdown: [Topic A] vs [Topic B]. Only one winner."

****Content Guidance:****

- * ****Criteria Setup:**** Define 3-4 specific metrics for comparison (Price, Ease of Use, Performance).
- * ****Head-to-Head:**** Alternate between products. Use split-screen visuals.
- * ****Winner Section:**** Declare a winner for each category and an overall winner.

****Outro CTAs:****

1. "Which one would you pick? Vote in the comments."
2. "Subscribe for more head-to-head comparisons."
3. "Read my full spec sheet breakdown in the description."

Template 9: Q&A

****Hook Options:****

1. "You asked, I answered. Here are the top 10 questions from last month."
2. "I read every single comment from the last video. Here's what I found."
3. "Let's clear up the top 5 misconceptions about [Topic] right now."

****Content Guidance:****

- * ****Intro:**** Thank the community. Set the tone.
- * ****Batching:**** Group questions by theme (e.g., "Questions about Money," "Questions about Time").
- * ****Community CTA:**** Ask for next month's questions.

****Outro CTAs:****

1. "Drop your questions for next month's Q&A in the comments."
2. "Subscribe to stay updated on new videos."
