20 YouTube Video Script Templates for Creators

Welcome to your complete toolkit. These twenty templates are engineered to maximize retention and

conversion. Each script includes three distinct hook options to test A/B angles, structured section headers with specific content guidance, and a strategic outro. Remember: The script is the skeleton;

your delivery is the muscle. Fill in the bracketed `[placeholders]` with your specific content.

1. The List Video ("10 Things That...")

Hook Options:

1. "Stop making these 10 mistakes if you want to [desired outcome]."
2. "I tested 50 methods, and only these 10 actually work."
3. "Number 7 will change how you think about [topic] forever."

Sections:

* **The Setup (0:00-0:45):** Briefly explain *why* this list matters. Mention the common problem

your audience faces. State clearly what they will gain by watching to the end.

* **The Countdown (0:45-10:00):** Structure each item as a mini-story. Start with the item name,

demonstrate it, explain the "why," and give a quick actionable tip. Use visual cutaways for every new number. Keep each item under 60 seconds.

* **The "Bonus" (10:00-10:30):** Reveal a secret 11th item or a summary of the top 3 most important points. This rewards viewers who stayed for the full duration.

Outro & CTA:

- * **Subscribe:** "If you found value in this, subscribe for more deep dives into [topic]."

- * **Comment:** "Which of these 10 things are you struggling with the most? Tell me below."
- * **Linked Video:** "If you want to learn how to [related topic], click this video here."

2. Tutorial / How-To

Hook Options:

1. "Here is exactly how to [achieve result] in under 10 minutes."
2. "If you are stuck on [specific step], this video is for you."
3. "I made this mistake so you don't have to. Here's the right way."

Sections:

- * **Problem Setup (0:00-0:30):** Acknowledge the frustration. Show the "before" state or the error message. Promise a clean solution.
- * **Step-by-Step Execution (0:30-8:00):** Break the process into 3-5 distinct phases. For each phase, show the action, then zoom in on the critical details. Use on-screen text to label steps.
- * **Common Mistakes Section (8:00-9:30):** Dedicate time to the 2-3 most common errors people make when trying this. Show what "wrong" looks like versus "right."

Outro & CTA:

- * **Subscribe:** "Subscribe to master [skill] step-by-step."
- * **Comment:** "Did this work for you? Let me know in the comments."
- * **Linked Video:** "Next, learn how to [advanced version of skill] here."

3. Review Video

Hook Options:

1. "Is the [Product Name] worth your money in 2024?"
2. "I bought the [Product Name] so you don't have to. Here's the truth."
3. "This product claims to [big promise]. Does it deliver?"

Sections:

- * **Context & Unboxing (0:00-1:00):** Briefly introduce the product, its price point, and who it is for. Show the unboxing or interface.
- * **Features Walkthrough (1:00-6:00):** Test 3-4 key features. Do not just list specs; show performance. Compare it briefly to the previous generation or a competitor.
- * **Pros & Cons (6:00-7:30):** Be honest. List 3 major pros and 3 major cons. Use bullet points on screen for clarity.
- * **The Verdict (7:30-8:00):** Give a clear recommendation. Who should buy it? Who should

avoid

it?

****Outro & CTA:****

- * ****Subscribe:**** "For unbiased reviews, hit subscribe."
- * ****Comment:**** "What product should I review next?"
- * ****Linked Video:**** "Check out my review of [Competitor Product] here."

4. Opinion / Hot Take

****Hook Options:****

1. "Everyone is wrong about [topic], and here's why."
2. "I'm going to say something controversial: [Statement]."
3. "If you believe [common belief], you are losing [time/money]."

****Sections:****

- * ****The Stakes (0:00-0:45):**** Explain why this opinion matters. What is the cost of holding the opposing view?
- * ****The Argument (0:45-5:00):**** Present 3 distinct arguments supporting your take. Use data, personal anecdotes, or logical deduction.
- * ****Counterarguments & Rebuttal (5:00-6:30):**** Anticipate the main counter-argument. Address it respectfully but firmly, explaining why your stance holds up.
- * ****Conclusion (6:30-7:00):**** Summarize your position. Challenge the viewer to think differently.

****Outro & CTA:****

- * ****Subscribe:**** "Subscribe for more unfiltered opinions."
- * ****Comment:**** "Do you agree or disagree? Respectfully debate me in the comments."
- * ****Linked Video:**** "For a balanced view, watch my video on [Opposing Topic]."

5. Story Time / Personal Experience

****Hook Options:****

1. "I almost lost everything because of one decision."
2. "This is the story of how I went from [State A] to [State B]."
3. "No one talks about this side of [industry/life]."

****Sections:****

* **The Narrative Arc (0:00-1:00):** Start in the middle of the action (in media res). Flashback briefly to the setup.

* **The Conflict (1:00-4:00):** Detail the obstacles. What went wrong? How did it feel? Use emotional language.

* **The Climax & Resolution (4:00-6:00):** Describe the turning point and the outcome.

* **The Lesson (6:00-6:30):** Extract the universal takeaway. How can the viewer apply this lesson to their life?

Outro & CTA:

* **Subscribe:** "Subscribe for more real stories from my life."

* **Comment:** "Has anything like this happened to you? Share your story."

* **Linked Video:** "Read the full case study here."

6. Day in the Life

Hook Options:

1. "What does a real [Profession/Life Style] day actually look like?"
2. "I spent 24 hours doing [Activity]. Here's what happened."
3. "The truth about [Topic] that influencers hide."

Sections:

* **The Morning Hook (0:00-0:30):** Show the immediate context. Why is today special or different?

* **Segments (0:30-8:00):** Divide the day into 3-4 blocks (e.g., Morning Routine, Work Block, Evening Wind-down). Keep energy high with quick cuts.

* **Transitions:** Use location changes or time-lapses to move between segments. Avoid long, static talking heads.

Outro & CTA:

* **Subscribe:** "Follow along with my daily life here."

* **Comment:** "What part of my day surprised you?"

* **Linked Video:** "See my setup tour here."

7. Challenge Video

Hook Options:

1. "I tried [Challenge] for 24 hours. It was brutal."
2. "Can you really [Achieve Goal] in [Timeframe]? Let's find out."
3. "I bet [Person/Group] \$100 that I could [Challenge]."

****Sections:****

- * ****The Setup (0:00-0:45):**** Define the rules clearly. What are the stakes? What is the reward or penalty?

- * ****Execution (0:45-7:00):**** Show the attempt. Highlight the struggle, the near-failures, and the small victories. Keep the pacing fast.

- * ****The Reveal (7:00-7:30):**** Did you succeed? Show the final result clearly.

****Outro & CTA:****

- * ****Subscribe:**** "Subscribe for more extreme challenges."

- * ****Comment:**** "What challenge should I try next?"

- * ****Linked Video:**** "Watch my previous challenge here."

8. Versus / Comparison

****Hook Options:****

1. "[Product A] vs [Product
