ChatGPT Prompts for Freelance Writers: 150 Work-Ready Prompts

Welcome to your ultimate toolkit for accelerating your freelance writing career. These prompts are engineered to handle the full lifecycle of a project, from securing the client to delivering the final, polished piece. Copy, paste, and replace the bracketed placeholders with your specific details to get instant, high-quality results.

Client Pitching

1. Act as a senior business development copywriter. Draft a cold email to [TARGET CLIENT] offering services in [NICHE]. Keep it under 150 words, focus on their recent pain point [SPECIFIC PAIN POINT], and include a soft call to action.
2. Write a formal Letter of Intent (LOI) for a long-term retainer with [CLIENT NAME]. Highlight my experience in [NICHE] and my availability for [HOURS PER WEEK] hours per week.
3. Create a pitch for a tech-focused blog. I am an expert in [TECHNOLOGY TOPIC]. Explain how I can simplify complex concepts for their general audience.
4. Draft a proposal response to an RFP from [CLIENT NAME] regarding [PROJECT TYPE]. Emphasize my track record in [NICHE] and my ability to meet tight deadlines.
5. Write a follow-up email for a pitch sent 5 days ago to [CLIENT NAME]. Be polite but firm, reiterate the value I bring to [NICHE], and ask for a brief 10-minute call.
6. Generate a personalized intro for a pitch to [CLIENT NAME] who just published an article on [TOPIC]. Show that I read their work and agree with [SPECIFIC POINT], then pivot to how I can help

with future content.

7. Write a pitch email for a finance client. I specialize in [FINANCIAL TOPIC]. Address the common misconception about [TOPIC] and offer to write a clarifying guide.
8. Draft a value-based proposal for a B2B SaaS company. Instead of selling "words," sell "lead generation" through high-intent content in [NICHE].
9. Write a short, punchy LinkedIn message to a marketing director at [COMPANY NAME]. I want to pitch my services in [NICHE]. No jargon, just direct value.
10. Create a case study summary for my portfolio to attach to a pitch. Describe a previous project where I improved [METRIC] for a client in [NICHE].
11. Draft a pitch for a health and wellness brand. Focus on evidence-based writing in [HEALTH TOPIC] and my ability to cite credible sources.
12. Write a cold email to a podcast producer at [SHOW NAME]. Offer to write show notes and transcriptions for their episodes on [TOPIC].
13. Create a "break up" email for a prospect who hasn't replied to three attempts. Be gracious, leave the door open, and remove myself from their pipeline.
14. Draft a pitch for an e-commerce brand. Offer to write product descriptions that convert, specifically for [PRODUCT CATEGORY], focusing on sensory language and benefits.
15. Write a proposal for a ghostwriting project. The client is [TYPE OF EXECUTIVE] and needs a book on [TOPIC]. Outline your process for interviews and drafting.
16. Create a pitch for a local business directory. Offer to write a comprehensive "About Us" and service page for [BUSINESS TYPE] to improve their local SEO.
17. Draft a pitch to a university or educational institution. Offer to write accessible explainers for [ACADEMIC FIELD] aimed at undergraduate students.
18. Write a follow-up pitch after a job posting was filled. Express interest in future opportunities in [NICHE] and ask to be kept in their talent pool.
19. Create a pitch for a non-profit organization. Focus on storytelling and emotional resonance to help raise awareness for [CAUSE].
20. Draft a partnership pitch to a complementary service provider (e.g., a graphic designer). Propose a cross-referral arrangement to share clients in the [NICHE] space.

Research and Outline

21. Act as a research assistant. Summarize the top 5 current trends in [NICHE] based on general market knowledge. Provide key takeaways for each.
22. Generate a detailed outline for a 1,500-word article on [TOPIC]. Include H2 and H3 headers, bullet points for key arguments, and a suggested conclusion.
23. Find a contrarian angle on [COMMON BELIEF IN NICHE]. List three reasons why this belief might be outdated or incorrect, and outline an article arguing against it.
24. Create a content cluster plan for [TOPIC]. List 5 pillar page ideas and 10 supporting blog post ideas that link back to the pillars.
25. Analyze the audience for a reader of [PUBLICATION NAME]. What are their primary pain points, aspirations, and objections regarding [TOPIC]?
26. Generate 10 unique interview questions for an expert in [NICHE] to help me gather quotes for an article on [TOPIC].
27. Summarize the key points of a complex technical concept, [CONCEPT], for a layperson. Use a simple analogy to explain it.
28. Create a timeline outline for a historical article on [EVENT]. Break it down into chronological sections with key dates and figures.
29. Identify the top 5 competitors in the [NICHE] space. For each, list one content gap they are missing that I could exploit.
30. Draft a "How-To" guide structure for [TASK]. Include steps, common mistakes to avoid, and required tools.
31. Generate a list of 10 potential sub-topics within [BROAD NICHE] that have high search volume but low competition.
32. Create an outline for a listicle article: "10 Best [PRODUCTS/SERVICES] for [AUDIENCE]." Structure it with intro, criteria for selection, and individual product breakdowns.
33. Analyze a competitor's article on [TOPIC]. List the strengths of their structure and the weaknesses in their argument that I can address.
34. Generate a FAQ section outline for a landing page about [SERVICE/PRODUCT]. List 8 questions a potential customer would ask.
35. Create a comparison chart outline for [PRODUCT A] vs [PRODUCT B]. List the key features, pros,

cons, and ideal user for each.

36. Draft an outline for a case study about [CLIENT SUCCESS STORY]. Structure it as Problem, Solution, Implementation, and Results.

37. Generate 5 unique hooks for an article on [TOPIC] based on statistics.

38. Create a "Myth-Busting" outline for [NICHE]. List 5 common myths and the factual corrections for each.

39. Outline a thought leadership piece on [INDUSTRY TREND] for a LinkedIn audience. Focus on personal opinion and strategic advice.

40. Generate a resource list outline for [TOPIC]. Categories should include books, podcasts, tools, and expert directories.

41. Create an outline for a seasonal article on [TOPIC] tailored for [SEASON/HOLIDAY].

42. Draft a "Beginner's Guide" outline for [TOPIC]. Break it down into Day 1-3, Week 1, and Month 1 milestones.

43. Generate an outline for a data-driven article using [STATISTIC OR DATASET]. Focus on interpreting the data for [AUDIENCE].

44. Create a "Top 10" list outline for [TOPIC], ensuring a mix of well-known and emerging options.

45. Draft an outline for a news summary of [RECENT EVENT]. Structure it as What Happened, Why It Matters, and What to Watch Next.

First Draft Acceleration

46. Act as a professional copywriter. Write the first 200 words of an article on [TOPIC] based on this outline: [PASTE OUTLINE]. Tone: Authoritative.

47. Write a compelling introduction for an article about [TOPIC]. Start with a shocking statistic or a relatable story, then state the thesis.

48. Draft the conclusion for an article on [TOPIC]. Summarize the main points and end with a strong call to action to [ACTION].

49. Write a transition paragraph between Section A ([TOPIC A]) and Section B ([TOPIC B]) to ensure smooth flow.

50. Generate a "hook" sentence for a blog post about [TOPIC] that stops the scroll.

51. Write a section on [SUBTOPIC] using a Q&A format. Ask 3 common questions and answer them concisely.
52. Draft a case study narrative for [CLIENT NAME]. Describe their journey from [PROBLEM] to [SOLUTION] in vivid, human terms.
53. Write a "Why This Matters" paragraph for an article on [TOPIC]. Connect the topic to the reader's daily life.
54. Generate a list of 5 real-world examples or anecdotes to illustrate the concept of [CONCEPT].
55. Write a bridge paragraph that acknowledges a counter-argument to [MAIN ARGUMENT] and then refutes it.
56. Draft a step-by-step section
