Client Pitching

1. Act as a senior PR specialist. Draft a cold email pitching [TOPIC] to a [NICHE] editor. Keep it under 150 words, focusing on a specific recent trend in [NICHE] that proves my expertise.
2. Write a formal Letter of Intent (LOI) for a long-term content retainer with a [NICHE] company. Highlight my ability to handle [SKILL 1] and [SKILL 2] while maintaining brand voice consistency.
3. Create three different cold pitch angles for [TOPIC]: one focusing on data, one on user experience, and one on industry controversy.
4. Draft a follow-up email for a pitch sent to a [NICHE] magazine two weeks ago about [TOPIC]. Keep it polite but firm, reminding them of the timeliness of the angle.
5. Write a proposal for a [NICHE] startup that needs 10 blog posts about [TOPIC]. Include a brief strategy for how these posts will drive organic traffic.
6. Generate a personalized intro paragraph for a pitch to [PUBLICATION NAME], referencing a specific article they published last month about [RELATED TOPIC].
7. Draft a "rescue" pitch for a [NICHE] client who is struggling with their current content strategy. Position [TOPIC] as the missing piece in their funnel.
8. Write a short LinkedIn connection request to a content lead at a [NICHE] firm, mentioning my recent work on [TOPIC].
9. Create a one-page case study summary for a past project in [NICHE] that resulted in a 20% increase in engagement, to use in a new pitch for [TOPIC].
10. Draft a pitch for a guest post on a high-authority [NICHE] website. The topic is [TOPIC], and the angle is "5 Mistakes Beginners Make."
11. Write a subject line and body for a cold email to a [NICHE] CEO proposing an executive thought leadership piece on [TOPIC].

12. Create a "value proposition" statement for my freelance writer bio specifically targeting clients in the [NICHE] sector who need expertise in [TOPIC].
13. Draft a negotiation email for a pitch that was rejected due to budget constraints. Offer a smaller scope for [TOPIC] at a reduced rate.
14. Write a pitch for a podcast host in [NICHE] who covers [TOPIC]. Suggest three specific interview questions they could ask me.
15. Create a "spec article" outline for [TOPIC] tailored to the tone and style of [PUBLICATION NAME] to include as an attachment in my pitch.
16. Draft an email to a [NICHE] association offering to write their monthly newsletter section on [TOPIC].
17. Write a cold outreach script for LinkedIn InMail to a hiring manager at a [NICHE] agency, highlighting my speed and quality in [TOPIC] writing.
18. Create a "problem-solution" pitch for a [NICHE] SaaS company. The problem is low user retention, and my article on [TOPIC] offers the solution.
19. Draft a thank-you note after a successful pitch meeting for a [NICHE] client, reiterating the next steps for the [TOPIC] project.
20. Write a "warm" email to a former client in [NICHE] who I haven't worked with in six months, pitching a new angle on [TOPIC] based on recent news.

Research and Outline

21. Act as a research assistant. List the top 10 most frequently asked questions by users interested in [TOPIC] within the [NICHE] industry.
22. Generate a detailed article outline for a 2,000-word piece on [TOPIC]. Include H2 and H3 headers that follow a logical problem-agitation-solution structure.
23. Find three contrarian angles on [TOPIC] that challenge the common wisdom in the [NICHE] sector.
24. Summarize the key arguments from three recent (2023-2024) studies on [TOPIC] that are relevant to a [NICHE] audience.
25. Create a "cheat sheet" of 5 key statistics on [TOPIC] that I can cite, ensuring they are from

reputable sources.

26. Outline a comparison guide for [TOPIC] vs. [COMPETITOR/ALTERNATIVE], focusing on pros, cons, and

best use cases for [NICHE] users.

27. Generate a list of 10 expert quotes or paraphrased insights I could seek from thought leaders in

[NICHE] regarding [TOPIC].

28. Break down the complex concept of [TOPIC] into simple, digestible steps for a beginner audience

in [NICHE].

29. Create a "myth vs. fact" outline for [TOPIC] to address common misconceptions in the [NICHE]

industry.

30. Generate a timeline of key historical events related to [TOPIC] that provides context for a deep-dive article.

31. List five potential sub-topics under [TOPIC] that could each become a separate 800-word blog post for a [NICHE] website.

32. Create a SWOT analysis for a hypothetical company in [NICHE] regarding their approach to [TOPIC].

33. Outline a "how-to" guide for implementing [TOPIC], including prerequisites, step-by-step instructions, and troubleshooting.

34. Generate a list of 10 potential interview questions for an industry expert in [NICHE] about the future of [TOPIC].

35. Create a "before and after" narrative structure for an article showing how [TOPIC] transformed a

[NICHE] business.

36. List five common pain points experienced by [NICHE] professionals when dealing with [TOPIC].

37. Generate a "checklist" outline for readers to evaluate their current strategy regarding [TOPIC].

38. Outline a case study structure for a [NICHE] client who successfully adopted [TOPIC], focusing

on metrics and outcomes.

39. Create a "FAQ" outline for [TOPIC], covering the top 8 questions asked by beginners and intermediates in [NICHE].

40. Generate a "risk assessment" outline for [TOPIC], detailing potential downsides and how to mitigate them for [NICHE] users.

41. List five emerging trends in [TOPIC] that are likely to impact the [NICHE] industry in the next 12 months.
42. Create a "glossary" section outline for a comprehensive guide on [TOPIC], defining 10 key terms.
43. Outline a "budget guide" for [TOPIC], breaking down costs for small, medium, and large [NICHE] businesses.
44. Generate a "pros and cons" list for adopting [TOPIC], specifically tailored to a [NICHE] audience with limited resources.
45. Create a "roadmap" outline for mastering [TOPIC] in 30 days, with weekly milestones.

First Draft Acceleration

46. Write a compelling hook for an article about [TOPIC] that starts with a surprising statistic or a bold statement.
47. Draft the introduction for a 1,500-word article on [TOPIC]. It should establish credibility, state the problem, and promise a solution.
48. Write the first H2 section on [SUB-TOPIC] for my article on [TOPIC]. Keep the tone professional but accessible for [NICHE] readers.
49. Draft a "storytelling" section for my article on [TOPIC], using a hypothetical client case study to illustrate a key point.
50. Write a transition paragraph between the section on [SECTION A] and [SECTION B] in my article about [TOPIC].
51. Draft the "Actionable Steps" section for my guide on [TOPIC], using numbered lists for clarity.
52. Write a strong conclusion for my article on [TOPIC] that summarizes key points and ends with a call to action.
53. Generate a "key takeaway" box for my article on [TOPIC] that can be placed in the middle of the piece.
54. Write a second draft of the introduction for [TOPIC], this time focusing on a narrative hook rather than a statistic.
55. Draft a section addressing "Common Objections" to [TOPIC] for a skeptical [NICHE] audience.

56. Write a "Behind the Scenes" section for my article on [TOPIC], explaining the methodology or research process.
57. Generate a "Quote Box" placeholder text for my article on [TOPIC], where an expert would likely say something insightful.
58. Write a "Compare and Contrast" section for my article on [TOPIC], highlighting the differences between [OPTION A] and [OPTION B].
59. Draft a "Myth-Busting" section for my article on [TOPIC], correcting a widespread misconception in [NICHE].
60. Write a "Future Outlook" section for my article on [TOPIC], predicting where the industry is heading.
61. Generate a "
