20 YouTube Video Script Templates for Creators

Welcome to your complete toolkit for high-retention content. These templates are engineered for algorithmic success and viewer engagement. Each template includes specific hook variations, structural guidance, and conversion-focused CTAs.

Template 1: The List Video ("10 Things That...")

****Core Strategy:**** High density of value with clear segmentation.

****Hook Options:****

1. "Stop making these 10 mistakes if you want to [desired result]."
2. "I tested 50 methods, and these 10 actually work."
3. "If you only remember one thing from this video, make it number 7."

****Section Headers:****

- * ****The Promise (0:00-0:30):**** Briefly state the benefit of watching the full list. Tease the #1 item to keep them watching.

- * ****Items 10-1 (Body):**** Dedicate 30-60 seconds per item. Use a "Problem-Solution-Benefit" structure for each. Do not linger.

- * ****The Cliffhanger (Pre-Item 1):**** "And number 1 is the one thing nobody talks about..."

- * ****Item 1 (The Big Reveal):**** Provide the deepest value here. This is your retention spike.

- * ****The Recap & CTA:**** Quickly list all 10 items in under 10 seconds.

****Outro CTAs:****

1. "Comment 'LIST' below and I'll send you the PDF version of this breakdown."
2. "If you found this helpful, subscribe so you don't miss the next list on [Topic]."
3. "Click this video next to learn how to apply item #1 in real life."

Template 2: Tutorial / How-To

Core Strategy: Reduce friction. Solve the pain point immediately.

Hook Options:

1. "Here is exactly how to [achieve result] in less than 5 minutes."
2. "Struggling with [problem]? Here is the fix that actually works."
3. "I'm going to show you the step-by-step process I use to [result] every single day."

Section Headers:

- * **The Pain Point:** Describe the frustration of the problem. Empathize with the viewer.
- * **Prerequisites:** List tools or mindset needed. Keep it brief.
- * **Step 1-3 (The Core Action):** Use visual b-roll to demonstrate. Narrate only the essential clicks/actions.
- * **Common Mistakes:** "90% of people fail at this because they skip this step."
- * **Final Result:** Show the completed outcome clearly.

Outro CTAs:

1. "Try this method and tell me in the comments if it worked for you."
2. "Subscribe for a new tutorial every Tuesday."
3. "Watch this video next to master the advanced version of this technique."

Template 3: Review Video

Core Strategy: Trust through transparency. Balance hype with realism.

Hook Options:

1. "Is [Product] worth your money? I bought it to find out."
2. "Don't buy [Product] until you watch this review."
3. "After 30 days of using [Product], here is my honest verdict."

Section Headers:

- * **Context & Criteria:** Why are we reviewing this? What matters most to your audience?
- * **Feature Walkthrough:** Show the "Wow" factor first. Then demonstrate daily usability.
- * **The "But" (Cons):** Be brutal. If it's bad, say so. This builds trust.
- * **Who Is This For?:** Clearly define the ideal user.
- * **Verdict:** Give a score or a simple "Buy/Don't Buy" recommendation.

Outro CTAs:

1. "Let me know if you've used this product before in the comments."
2. "Subscribe for more honest tech reviews."

3. "Check out my comparison video of this vs. [Competitor] here."

Template 4: Opinion / Hot Take

Core Strategy: Polarization drives engagement. Be clear, not vague.

Hook Options:

1. "Everything you've been told about [Topic] is wrong."
2. "I hate [Popular Trend], and here's why it's ruining your [Goal]."
3. "Unpopular opinion: [Statement]. Let me explain."

Section Headers:

- * **The Stakes:** Why does this opinion matter? What is at risk if they ignore it?
- * **The Argument (Point A):** Present your main evidence or anecdote.
- * **The Argument (Point B):** Deepen the logic. Use data or strong examples.
- * **Counterarguments:** "You might be thinking X, but..." Address the strongest opposing view and dismantle it.
- * **The Call to Action:** Reiterate the core stance.

Outro CTAs:

1. "Do you agree or disagree? Let's debate in the comments."
2. "Subscribe if you like unfiltered opinions."
3. "Watch my video on [Related Topic] to see the full context."

Template 5: Story Time / Personal Experience

Core Strategy: Emotional resonance. Use the Hero's Journey.

Hook Options:

1. "This is the story of how I lost everything and found [Success]."
2. "I almost quit [Industry] because of this one day."
3. "Nobody believes this happened to me, but here is the proof."

Section Headers:

- * **The Inciting Incident:** Start in the middle of the action or at the moment of crisis.
- * **The Struggle:** Detail the obstacles. Make the viewer feel the pain.
- * **The Turning Point:** The moment of realization or change.
- * **The Resolution:** How did it end? What is the current state?
- * **The Lesson:** Extract the universal truth from the personal story.

Outro CTAs:

1. "Share your own story in the comments. I read every single one."
2. "Subscribe for more real stories from my journey."
3. "If you're feeling stuck, watch this motivational video next."

Template 6: Day in the Life

****Core Strategy:**** Energy management. Avoid boredom.

****Hook Options:****

1. "A brutal 12-hour day in the life of a [Profession]."
2. "How I structure my day to get 3x more done."
3. "Come see what a typical day looks like when you're [Status]."

****Section Headers:****

- * ****Morning Routine (High Energy):**** Fast cuts, music, getting ready.
- * ****Deep Work Block:**** Show the work, not just the coffee. Explain **what** you are working on.
- * ****Mid-Day Break:**** Humanize the character. Food, walk, or chat.
- * ****Evening Wind-Down:**** Relaxing activities.
- * ****Reflection:**** "The biggest lesson from today was..."

****Outro CTAs:****

1. "What time do you wake up? Let me know in the comments."
2. "Subscribe to see a different day every week."
3. "Check out my productivity setup video here."

Template 7: Challenge Video

****Core Strategy:**** Tension and release. The result is the payoff.

****Hook Options:****

1. "I tried [Extreme Activity] for 7 days. Here's what happened."
2. "Can you [Task] with only \$10? Let's find out."
3. "I bet you I can't [Achieve Goal] without [Constraint]."

****Section Headers:****

- * ****The Rules:**** Clearly define the challenge. Why is it hard?
- * ****Attempt 1 (The Fail):**** Show the initial struggle.
- * ****The Struggle:**** Montage of failures, frustration, and adjustments.
- * ****The Final Push:**** The last attempt. High tension.
- * ****The Reveal:**** Did you succeed? Show the final result immediately.

****Outro CTAs:****

1. "What challenge should I try next? Comment below."
2. "Subscribe for more high-stakes challenges."
3. "Watch my previous challenge video here."

Template 8: Versus / Comparison

****Core Strategy:**** Help the viewer make a decision.

****Hook Options:****

1. "[Product A] vs. [Product B]: Which one is actually better?"
2. "Stop choosing between [Option A] and [Option B]. Here's the truth."
3. "I used both [Product A] and [Product B] for a month. One is a scam."

****Section Headers:****

- * ****The Criteria:**** What are we comparing? Price, speed, quality?
- * ****Head-to-Head (Feature 1):**** Direct comparison. Show side-by-side b-roll.
- * ****Head-to-Head (Feature 2):**** Direct comparison.
- * ****The Surprise Winner:**** Which one won a category unexpectedly?
- * ****Final Verdict:**** Who should buy which product?

****Outro CTAs:****

1. "
