ChatGPT Prompts for Coaches + Consultants: 150 Client Scripts

This comprehensive library is designed to streamline your coaching and consulting workflow, ensuring every interaction is strategic, empathetic, and results-driven. Each prompt is engineered to be copy-paste ready, utilizing specific placeholders to tailor the output to your unique business context.

Discovery Calls

1. Act as a senior [NICHE] coach. Draft a list of 10 high-impact qualifying questions for a discovery call with [CLIENT NAME] to determine if they are a good fit for my premium service.
2. Create a structured agenda for a 45-minute discovery call with [CLIENT NAME], focusing on uncovering pain points, current strategies, and desired outcomes in [NICHE].
3. Write a script for handling the objection "I need to think about it" during a discovery call with [CLIENT NAME], ensuring the response maintains rapport while moving toward a decision.
4. Generate three different opening lines for a discovery call with [CLIENT NAME] that immediately establish authority in [NICHE] and set a collaborative tone.
5. Draft a follow-up email for [CLIENT NAME] after a discovery call where they indicated interest but hesitated on price. Include a clear call to action.
6. Create a checklist of 5 red flags to watch for during a discovery call with [CLIENT NAME] that would indicate they are not a good fit for my [NICHE] program.
7. Write a transitional phrase to move from the "pain point" section to the "strategy" section of a discovery call with [CLIENT NAME] in [NICHE].
8. Generate a script for proposing a next step (booking a sales call) to [CLIENT NAME] after a

successful discovery conversation about [NICHE].

9. Craft a polite but firm script for ending a discovery call early with [CLIENT NAME] if it becomes clear we are not a good fit.

10. Write a summary email for [CLIENT NAME] that recaps their key challenges in [NICHE] and outlines

how my specific methodology addresses their goals.

11. Create a list of 5 open-ended questions to ask [CLIENT NAME] to uncover their underlying beliefs

about success in [NICHE].

12. Draft a script for introducing my credentials and success stories to [CLIENT NAME] during the first 5 minutes of a discovery call.

13. Write a follow-up sequence of two emails for [CLIENT NAME] who went silent after a discovery

call, focusing on value delivery in [NICHE].

14. Generate a script for addressing the objection "I don't have the time" from [CLIENT NAME] without sounding dismissive of their current workload.

15. Create a "bridge statement" to connect [CLIENT NAME]'s current situation to the transformation

possible through my [NICHE] services.

16. Write a discovery call script that focuses on the financial impact of inaction for [CLIENT NAME]

in the [NICHE] industry.

17. Draft a script for asking [CLIENT NAME] about their previous attempts to solve their [NICHE] problems and why they failed.

18. Create a list of 3 powerful closing questions for a discovery call with [CLIENT NAME] to secure

commitment.

19. Write a script for handling a difficult or skeptical prospect named [CLIENT NAME] who questions

the validity of [NICHE] coaching.

20. Generate a personalized LinkedIn message to [CLIENT NAME] inviting them to a discovery call,

referencing a recent post they shared about [NICHE].

Client Sessions

21. Act as a [NICHE] coach. Draft 5 powerful opening questions for a session with [CLIENT NAME] to re-anchor their focus on their primary goal.
22. Create a script for a mid-session check-in with [CLIENT NAME] to assess their energy levels and emotional state regarding their [NICHE] progress.
23. Write a series of 3 Socratic questions to help [CLIENT NAME] identify a limiting belief blocking their success in [NICHE].
24. Draft a script for facilitating a breakthrough moment with [CLIENT NAME] when they express frustration about a specific [NICHE] challenge.
25. Generate a session close summary template for [CLIENT NAME] that includes key insights, action items, and a next-step commitment.
26. Write a script for reframing [CLIENT NAME]'s failure in [NICHE] as a valuable learning opportunity during our session.
27. Create 5 reflective questions for [CLIENT NAME] to journal about after our session, focusing on their emotional response to new [NICHE] strategies.
28. Draft a script for introducing a new tool or framework to [CLIENT NAME] that simplifies their [NICHE] workflow.
29. Write a script for addressing [CLIENT NAME]'s resistance to implementing a specific [NICHE] tactic we discussed last week.
30. Generate a "visioning" script to help [CLIENT NAME] visualize their success in [NICHE] six months from now.
31. Create a script for celebrating a small win with [CLIENT NAME] to boost momentum in their [NICHE] journey.
32. Write a script for handling [CLIENT NAME]'s perfectionism that is stalling their progress in [NICHE].
33. Draft 3 questions to help [CLIENT NAME] prioritize their most urgent [NICHE] tasks for the coming week.
34. Create a script for deepening trust with [CLIENT NAME] by sharing a relevant personal story related to [NICHE].
35. Write a script for correcting a misconception [CLIENT NAME] has about [NICHE] best practices.
36. Generate a script for transitioning from theoretical discussion to practical application with

[CLIENT NAME] in [NICHE].

37. Draft a script for asking [CLIENT NAME] to commit to a specific, measurable action for [NICHE]

by the next session.

38. Create a script for managing [CLIENT NAME]'s external distractions that are impacting their [NICHE] results.

39. Write a script for using a metaphor to explain a complex [NICHE] concept to [CLIENT NAME].

40. Generate a session close script that leaves [CLIENT NAME] feeling empowered and clear on their

next steps in [NICHE].

Client Communication

41. Draft a friendly check-in message for [CLIENT NAME] to see how they are applying our [NICHE]

strategies this week.

42. Create a gentle accountability nudge for [CLIENT NAME] who missed a deadline on a [NICHE]

deliverable.

43. Write a milestone celebration email for [CLIENT NAME] upon completing a major [NICHE] project

phase.

44. Draft a tough conversation script for [CLIENT NAME] who is not doing the required homework for

our [NICHE] program.

45. Create a "stalled progress" email for [CLIENT NAME] to diagnose why they are not moving forward

in [NICHE].

46. Write a short, encouraging voice note script for [CLIENT NAME] to listen to before a high-stakes

[NICHE] presentation.

47. Draft a reply to [CLIENT NAME]'s email expressing doubt about the value of our [NICHE] engagement.

48. Create a weekly status update template for [CLIENT NAME] that highlights wins and areas for improvement in [NICHE].

49. Write a script for asking [CLIENT NAME] for feedback on our [NICHE] coaching relationship

to

ensure it remains effective.

50. Draft a message for [CLIENT NAME] to introduce a new resource or tool relevant to [NICHE].

51. Create a "re-engagement" email for [CLIENT NAME] who has been inactive in our [NICHE] program

for two weeks.

52. Write a script for handling [CLIENT NAME]'s financial concerns regarding the cost of additional

[NICHE] services.

53. Draft a personalized birthday or holiday message for [CLIENT NAME] that subtly reinforces our

[NICHE] partnership.

54. Create a script for setting boundaries with [CLIENT NAME] regarding off-hours communication

about [NICHE] matters.

55. Write a follow-up message for [CLIENT NAME] after they shared a success story in [NICHE] on

social media.

56. Draft a "course correction" email for [CLIENT NAME] who is deviating from the agreed-upon [NICHE] strategy.

57. Create a script for expressing empathy with [CLIENT NAME] during a personal crisis that is affecting their [NICHE] work.

58. Write a reminder email for [CLIENT NAME] about our upcoming session, including a pre-session

question about [NICHE].

59. Draft a script for transitioning [CLIENT NAME] from one [NICHE] phase to the next, explaining the shift in focus.

60. Create a "value stack" message for [CLIENT NAME] to reinforce the tangible results they have

achieved in [NICHE].

Content Creation

61. Write a LinkedIn post for my [NICHE] audience sharing a quick tip on overcoming a common [NICHE]

mistake.

62. Draft a case study outline for [CLIENT NAME] that highlights the problem, solution, and specific

[NICHE] results.

63. Create a testimonial request email for [CLIENT NAME] that makes it easy for them to share their

[NICHE] success story.

64. Write
