

ChatGPT Prompts for Etsy Sellers: 100

Listing + Marketing Prompts

RenWork Digital Products

1. Product Listing Copy (30 Prompts)

****SEO-Optimized Titles****

1. "Act as an Etsy SEO expert. Create 10 title variations for a [Product Name] that are under 140 characters, include high-volume keywords like [Keyword 1], [Keyword 2], and [Keyword 3], and prioritize readability with pipes or commas." *(Best for: Printables & Digital)*
2. "Generate 5 A/B testing titles for my [Product Type] listing. Option A should focus on emotional benefits, Option B on technical specifications, and Option C on use-case scenarios. Target audience is [Target Audience]." *(Best for: Handmade Jewelry)*
3. "Rewrite this title to be more keyword-dense while maintaining grammatical flow: '[Insert Current Title]'. Ensure it includes the primary keyword in the first four words." *(Best for: Vintage Items)*
4. "Create a title for a [Product] that targets the [Season/Holiday] season. Include 'gift for [Demographic]' and specific material details." *(Best for: Handmade Home Decor)*
5. "Analyze this title for keyword stuffing: '[Insert Title]'. Suggest a cleaner version that retains SEO value but improves click-through rate." *(Best for: Printables)*

****Compelling Product Descriptions****

6. "Write a 200-word product description for a [Product Name]. The tone should be [warm/professional/playful]. Highlight the problem it solves for the customer: [Problem Statement]." *(Best for: Digital Planners)*
7. "Draft a storytelling-based description for a vintage [Item]. Include details about its era, condition, and unique character flaws to build authenticity. End with a call to action." *(Best for: Vintage)*
8. "Create a description for a handmade [Item] that emphasizes the artisan process. Mention the

specific techniques used, such as [Technique 1] and [Technique 2], to justify the price point."

(Best for: Handmade Ceramics)

9. "Write a benefit-led description for a [Product]. Avoid listing features; instead, explain how this product improves the customer's daily life or workspace." *(Best for: Digital Art Prints)*

10. "Generate three different description angles for a [Product]: one focused on gifting, one on personal use, and one on professional application. Keep each under 150 words." *(Best for: Printables)*

11. "Rewrite this generic description to be more engaging and specific: '[Insert Description]'. Add sensory language (sight, touch, smell) to make the product tangible." *(Best for: Handmade Candles)*

12. "Create a description for a [Product] that addresses common customer objections regarding [Concern, e.g., durability, sizing]. Use a reassuring, confident tone." *(Best for: Handmade Leather Goods)*

13. "Write a description for a digital [Product] that clearly explains the download process, file formats included, and licensing terms without sounding legalistic." *(Best for: Digital Fonts)*

14. "Draft a narrative description for a vintage [Item] that connects it to a specific historical event or cultural trend to increase perceived value." *(Best for: Vintage Clothing)*

15. "Create a 'Why Choose Us' section for a [Product] listing. Highlight three unique selling points that differentiate my shop from mass-market competitors." *(Best for: Handmade Soaps)*

****Bullet Point Features****

16. "List 5 bullet points for a [Product] that focus on practical benefits. Use strong action verbs like 'Create,' 'Organize,' or 'Transform' at the start of each point." *(Best for: Printables)*

17. "Convert this paragraph into 5 scannable bullet points: '[Insert Paragraph]'. Ensure each point is under 15 words." *(Best for: Digital Wall Art)*

18. "Write bullet points for a handmade [Item] that highlight materials, dimensions, and care instructions. Use emojis sparingly to aid visual scanning." *(Best for: Handmade Knitting)*

19. "Create a 'What's Included' bullet list for a digital bundle containing [List Items]. Clarify what is *not* included to prevent buyer remorse." *(Best for: Printables)*

20. "Draft 4 bullet points for a vintage [Item] that transparently detail its condition, including any stains, tears, or repairs made." *(Best for: Vintage)*

21. "Write benefit-focused bullets for a [Product] targeting [Demographic]. Focus on time-saving, stress-reduction, or aesthetic enhancement." *(Best for: Digital Planners)*

22. "Reformat these technical specs into customer-friendly bullet points: '[Insert Specs]'. Explain why each spec matters to the user." *(Best for: Handmade Electronics)*

23. "Create a seasonal bullet point set for a [Product] launch. Include a line about limited

availability or seasonal relevance." *(Best for: Handmade Holiday Decor)*

24. "Write a safety and compliance bullet point section for a [Product] intended for children.

Ensure the language is clear and reassuring for parents." *(Best for: Handmade Toys)*

25. "Generate 3 persuasive bullet points that address the 'why buy from an artisan' angle, focusing

on sustainability and ethical sourcing." *(Best for: Handmade Textiles)*

****FAQs and Shipping Policy****

26. "Write 5 common FAQs for a digital [Product] listing. Address questions about download limits,

software compatibility, and refunds." *(Best for: Digital)*

27. "Draft a FAQ section for a handmade [Item] that addresses production times, customization options, and potential variations due to handcrafting." *(Best for: Handmade)*

28. "Create a polite but firm shipping policy statement for a [Product] that ships from [Location].

Clearly state processing times vs. shipping times." *(Best for: All Sellers)*

29. "Write a return policy explanation for a custom-made [Item]. Clearly state that custom items are

non-refundable but offer specific exceptions for defects." *(Best for: Handmade)*

30. "Draft a 'Digital Product Delivery' FAQ that explains exactly how the customer will receive their files and what to do if the download fails." *(Best for: Printables)*

2. Etsy SEO and Keywords (20 Prompts)

31. "Act as an SEO strategist. Generate 20 long-tail keywords for a [Product Name]. Focus on phrases

with high intent and low competition, such as 'gift for [Person] who loves [Interest]'. *(Best for: Printables)*

32. "Analyze this competitor's title and tags: '[Insert Competitor Data]'. Identify the top 5 keywords they are targeting that I should also include in my listing for [Product]". *(Best for: Vintage)*

33. "Expand this seed keyword '[Keyword]' into 15 related search terms that Etsy buyers might use.

Include misspellings or alternative phrasings." *(Best for: Digital)*

34. "Write alt text for 5 product photos of a [Product]. The alt text should be descriptive and include relevant keywords for accessibility and SEO, but not repetitive." *(Best for: Handmade)*

35. "Generate a set of 13 unique tags for a [Product]. Ensure no tag is repeated and each tag is under 20 characters. Mix broad terms with specific niche terms." *(Best for: All Sellers)*

36. "Identify 5 trending keywords in the [Niche] category on Etsy right now. Suggest how to incorporate these into a listing for [Product]." *(Best for: Digital Trends)*
37. "Review my current tag list: '[Insert Tags]'. Identify any redundant tags and suggest 3 new tags that target a different buyer intent." *(Best for: Handmade Jewelry)*
38. "Create a keyword map for a [Product] launch. Map primary keywords to the title, secondary keywords to the description, and long-tail keywords to the tags." *(Best for: Printables)*
39. "Suggest 10 'gift guide' keywords for a [Product] that would be relevant for [Holiday/Season]. Format them as full phrases." *(Best for: Handmade Gifts)*
40. "Analyze the search volume potential for the phrase '[Phrase]' compared to '[Phrase 2]'. Which is better for a new shop with low authority?" *(Best for: All Sellers)*
41. "Write a meta-description style summary (155 characters) for a [Product] listing that includes the primary keyword and a call to action." *(Best for: Digital)*
42. "Generate 5 'long-tail' questions that customers might type into Etsy search for a [Product]. Use these as inspiration for my FAQ section." *(Best for: Handmade)*
43. "Create a keyword list for a [Product] that targets the 'eco-friendly' and 'sustainable' buyer persona. Include terms like 'biodegradable', 'upcycled', etc." *(Best for: Handmade Eco)*
44. "Identify 3 negative keywords (words to avoid) for a [Product] that might attract the wrong type of buyer or indicate a misunderstanding of the product." *(Best for: Vintage)*
