ChatGPT Prompts for Coaches + Consultants: 150 Client Scripts

This comprehensive library of 150 prompts is designed to streamline your workflow, enhance client outcomes, and scale your business. Each prompt is engineered to be copy-paste ready, utilizing `[CLIENT NAME]` and `[NICHE]` placeholders to ensure immediate personalization and relevance.

Discovery Calls

1. Act as a senior sales consultant for a high-end [NICHE] practice. Draft a 3-question discovery opener that establishes rapport without immediately diving into pricing.
2. Create a list of 5 deep-dive questions to ask [CLIENT NAME] about their current bottlenecks in [NICHE], focusing on root causes rather than symptoms.
3. Generate a script to handle the objection "I need to think about it" on a discovery call, focusing on urgency and clarity rather than pressure.
4. Write a qualifying question that helps [CLIENT NAME] define what "success" looks like in 90 days within their [NICHE] industry.
5. Draft a transition phrase to move the conversation from relationship building to specific business goals for [CLIENT NAME].
6. Create a 5-step agenda for a 45-minute discovery call with a prospective [NICHE] client.
7. Write a response to the question "How is this different from other [NICHE] coaches?" that highlights your unique methodology.
8. Generate a question to uncover [CLIENT NAME]'s biggest fear regarding changing their current

strategy in [NICHE].

9. Draft a closing script for a discovery call where the client is ready to buy, including a clear next step for onboarding.

10. Write a follow-up email for [CLIENT NAME] to send 24 hours after a discovery call, summarizing

key pain points discussed.

11. Create 3 "pain agitating" questions to help [CLIENT NAME] visualize the cost of inaction in their [NICHE] business.

12. Draft a script to address the objection "I'm not sure I have the budget right now" for a high-ticket [NICHE] offer.

13. Generate a question to determine if [CLIENT NAME] has the authority to make a purchase decision

immediately.

14. Write a discovery call agenda that includes a brief educational component about a common [NICHE]

mistake.

15. Create a script to handle a difficult question about your credentials or experience in [NICHE].

16. Draft a "bridge" question that connects a client's stated goal to the specific service you provide.

17. Write a follow-up email for a prospect who said they were interested but didn't book a next step.

18. Generate 3 questions to assess [CLIENT NAME]'s commitment level and readiness for change.

19. Create a script to ask for a testimonial or case study permission at the end of a successful discovery call.

20. Write a concise discovery call summary template to send to [CLIENT NAME] immediately after the call.

Client Sessions

21. Act as an executive coach for a [NICHE] entrepreneur. Draft 3 powerful opening questions for [CLIENT NAME]'s first session to set the tone.

22. Create a progress check-in framework to review [CLIENT NAME]'s actions since the last session in [NICHE].

23. Generate a breakthrough facilitation prompt to help [CLIENT NAME] overcome a mental block regarding their [NICHE] marketing strategy.
24. Write a session close summary template that includes 2 actionable steps and 1 reflection question.
25. Draft a question to ask [CLIENT NAME] about what they are currently avoiding in their [NICHE] business.
26. Create a "reality check" question to align [CLIENT NAME]'s expectations with realistic [NICHE] timelines.
27. Generate a prompt to help [CLIENT NAME] identify one non-essential task they can delegate in [NICHE].
28. Write a script for handling [CLIENT NAME]'s resistance to trying a new tactic in [NICHE].
29. Create a mid-session pivot phrase to redirect [CLIENT NAME] from complaining to problem-solving.
30. Draft a question to help [CLIENT NAME] define their "why" for pursuing this [NICHE] goal.
31. Generate a set of 3 questions to uncover hidden assumptions [CLIENT NAME] holds about their [NICHE] market.
32. Write a session opener that asks [CLIENT NAME] to rate their confidence level from 1-10 regarding their current [NICHE] status.
33. Create a prompt to help [CLIENT NAME] visualize their ideal client's day-to-day experience in [NICHE].
34. Draft a question to identify the single biggest time-waster in [CLIENT NAME]'s workflow.
35. Generate a "mirror" response technique to reflect [CLIENT NAME]'s emotional state back to them during a session.
36. Write a script to close a session where [CLIENT NAME] is feeling overwhelmed.
37. Create a question to ask [CLIENT NAME] about the support they need from you as their [NICHE] coach.
38. Draft a prompt to help [CLIENT NAME] break down a large [NICHE] project into weekly milestones.
39. Generate a question to explore [CLIENT NAME]'s past successes and how they can be replicated.

40. Write a session summary that highlights [CLIENT NAME]'s key insights and agreed-upon actions for the next 7 days.

Client Communication

41. Draft a short, encouraging check-in message for [CLIENT NAME] on a Tuesday morning.

42. Create an accountability nudge email for [CLIENT NAME] who hasn't completed their weekly [NICHE] action items.

43. Write a milestone celebration email for [CLIENT NAME] reaching their first major [NICHE] revenue goal.

44. Generate a gentle reminder message for [CLIENT NAME] to prepare for their upcoming coaching session.

45. Draft a "tough love" script for a conversation with [CLIENT NAME] who is consistently missing deadlines in [NICHE].

46. Create a weekly recap email template summarizing [CLIENT NAME]'s wins and next steps.

47. Write a message to check in on [CLIENT NAME]'s well-being outside of business, showing holistic care.

48. Generate a script to address [CLIENT NAME]'s doubt about their ability to succeed in [NICHE].

49. Draft a follow-up email after a difficult conversation with [CLIENT NAME] to ensure clarity and agreement.

50. Create a "quick win" celebration message for [CLIENT NAME] for doing a small but important task.

51. Write a message to re-establish momentum with [CLIENT NAME] after a period of inactivity.

52. Generate a question to send via text to [CLIENT NAME] to keep them focused on their [NICHE] goals.

53. Draft a holiday/seasonal greeting email for [CLIENT NAME] that subtly reinforces the value of your partnership.

54. Create a script for a mid-month performance review with [CLIENT NAME].

55. Write a message to ask [CLIENT NAME] for feedback on your coaching style in [NICHE].

56. Generate a "pre-booking" email to confirm [CLIENT NAME]'s availability for next month's sessions.
57. Draft a message to share a relevant [NICHE] article with [CLIENT NAME] and ask for their thoughts.
58. Create a script to handle [CLIENT NAME]'s complaint about a specific outcome in [NICHE].
59. Write a motivational email for [CLIENT NAME] during a challenging phase of their [NICHE] business.
60. Generate a "contract renewal" or "next steps" email for [CLIENT NAME] nearing the end of their current term.

Content Creation

61. Act as a thought leader in the [NICHE] industry. Write a LinkedIn post about a common misconception in [NICHE].
62. Create a case study outline for [CLIENT NAME], highlighting the problem, solution, and measurable results in [NICHE].
63. Draft a testimonial request email for [CLIENT NAME], making it easy for them to provide a quote.
64. Generate 5 blog post ideas that address the top pain points of [NICHE] entrepreneurs.
65. Write a lead magnet title and outline for a free guide on mastering [NICHE].
66. Create a social media caption for an Instagram post about a behind-the-scenes look at your [NICHE] coaching process.
67. Draft a newsletter intro for [CLIENT NAME] and your other clients, focusing on a recent [NICHE] trend.
68. Generate a script for a 60-second video about a quick [NICHE] tip.
69. Write a case study conclusion that emphasizes the emotional transformation of [CLIENT NAME].
70. Create a list of 10 questions to ask [CLIENT NAME] for interview content for your blog.
71. Draft a Twitter/X thread about 5 mistakes to avoid in [NICHE].
72. Generate a podcast episode outline featuring [CLIENT NAME] discussing their [NICHE] journey.
73. Write a "before and after" story for [CLIENT NAME] to use in your sales materials.
