Template 1: Web Design & Development -- E-Commerce Site Rebuild

****Executive Summary****

Your current website suffers from outdated navigation and a fragmented checkout process, resulting in a 40% cart abandonment rate. We propose a complete rebuild using [Tech Stack, e.g., Shopify Plus/Headless React] to create a seamless, mobile-first shopping experience that reduces friction and increases conversion by an estimated 15-20%.

****Scope of Work****

- * ****Included:**** UX audit, responsive design for 5 key templates (Home, Category, Product, Cart, Checkout), CMS integration, speed optimization (LCP < 2.0s), and basic SEO structure (meta tags, alt text).
- * ****Not Included:**** Content writing, photography, third-party app development beyond standard integrations, or ongoing server maintenance.

****Tech Stack****

- * ****Frontend:**** [e.g., Liquid/React]
- * ****Backend:**** [e.g., Node.js/Shopify Admin API]
- * ****Hosting:**** [e.g., Vercel/Shopify Native]

****Timeline & Milestones****

1. ****Discovery & Wireframing (Week 1):**** Finalize user flows and low-fidelity mocks.
2. ****Design & Development (Weeks 2-4):**** High-fidelity design and code build.
3. ****Testing & QA (Week 5):**** Cross-browser testing and load balancing.
4. ****Launch & Handover (Week 6):**** DNS migration and admin training.

****Investment****

* ****Total Project Cost:**** \$[Amount]

* ****Payment Terms:**** 50% deposit to secure start date; 25% upon design approval; 25% upon launch.

****Revision Policy****

Two rounds of revisions are included per design phase. Additional revisions are billed at \$[Rate]/hour.

****About Me****

I have rebuilt 12+ e-commerce stores for brands in [Industry], averaging a 18% lift in conversion post-launch. My focus is not just aesthetics, but revenue-generating architecture.

****Next Steps****

Reply to schedule a 15-minute technical alignment call.

****Scope Creep Clause****

Any changes to the approved wireframes or tech stack after Week 2 will incur a 20% project fee increase due to re-scoping.

Template 2: Copywriting -- Website Copy Package (5 Pages)

****Executive Summary****

Your current website copy is feature-heavy but benefit-poor, causing visitors to bounce before understanding your value proposition. This engagement delivers persuasive, SEO-optimized copy for your Top 5 pages (Home, About, Services, Pricing, Contact) that speaks directly to your ideal customer's pain points and drives action.

****Scope of Work****

* ****Included:**** Discovery call, competitor analysis, keyword research integration, and final copy for 5 pages (approx. 400-600 words each).

* ****Not Included:**** Blog posts, email sequences, or ad copy.

****Discovery Call Findings****

* ****Primary Audience:**** [e.g., CTOs in mid-sized SaaS]

* ****Core Pain Point:**** [e.g., Data silos slowing down decision-making]

* ****Desired Outcome:**** [e.g., Unified analytics dashboard]

* ****Tone of Voice:**** [e.g., Authoritative, concise, innovative]

****Timeline****

1. ****Week 1:**** Discovery & Strategy.
2. ****Week 2:**** Drafting & First Review.
3. ****Week 3:**** Revisions & Final Delivery.

****Investment****

- * ****Package Price:**** \$[Amount]
- * ****Terms:**** 50% upfront, 50% upon final delivery.

****About Me****

I specialize in B2B SaaS copy that converts. My previous client, [Company Name], saw a 25% increase in demo bookings after implementing my homepage copy. I write for clarity, not complexity.

****Next Steps****

Confirm your availability for the discovery call using this link: [Link].

****Scope Creep Clause****

Copy for additional pages or significant structural changes to the website hierarchy after the discovery phase are billed at \$[Rate]/page.

Template 3: Social Media Management -- 3-Month Retainer

****Executive Summary****

Your brand presence is inconsistent, leading to low engagement and missed lead generation opportunities. This 3-month retainer establishes a consistent content engine across [Platform 1] and [Platform 2], focusing on community building and brand authority to drive qualified traffic to your site.

****Content Pillars****

1. ****Educational:**** How-to guides and industry insights (40%).
2. ****Social Proof:**** Client testimonials and case studies (30%).
3. ****Behind-the-Scenes:**** Team culture and process (20%).
4. ****Promotional:**** Direct product/service offers (10%).

****Scope of Work****

- * ****Included:**** 12 posts/month, 1 long-form video script/month, community management (2

hours/day), and monthly performance report.

- * ****Not Included:**** Graphic design creation (I will use Canva templates provided), video editing, or paid ad management.

****Reporting Cadence****

- * ****Monthly Report:**** Delivered on the 1st of each month, detailing reach, engagement rate, click-throughs, and top-performing content.

****Timeline****

- * ****Month 1:**** Strategy, Brand Voice Guide, and Initial Launch.
- * ****Month 2:**** Optimization based on M1 data.
- * ****Month 3:**** Scale top-performing formats.

****Investment****

- * ****Monthly Retainer:**** \$[Amount]/month
- * ****Terms:**** Net 15. First month due upon contract signing.

****About Me****

I have managed accounts for brands with 10k-100k followers, consistently achieving engagement rates

above the industry average of [X]%. I treat social media as a customer service channel, not just a broadcast pipe.

****Next Steps****

Sign the attached MSA to begin onboarding.

****Scope Creep Clause****

Requests for custom graphic design or video production beyond the agreed-upon templates are billed

separately at \$[Rate]/hour.

Template 4: Brand Identity Design -- Logo + Brand Kit

****Executive Summary****

Your current visual identity lacks cohesion across digital and print assets, diluting brand recall.

This project delivers a distinctive, scalable logo system and a comprehensive brand kit that ensures

consistency and professional perception across all touchpoints.

****Scope of Work****

* ****Included:**** 3 initial logo concepts, 2 rounds of revisions on the selected concept, primary and secondary logo usage, color palette (Pantone/Hex/RGB), typography selection, and a 10-page Brand

Guidelines PDF.

* ****Not Included:**** Web design, packaging design, or illustration styles.

****Deliverables & File Formats****

* ****Logo:**** Vector (AI, EPS, SVG), Raster (PNG, JPG) in transparent and solid backgrounds.

* ****Guidelines:**** PDF (Interactive and Print-ready).

****Usage Rights****

Full commercial usage rights are transferred to the client upon final payment. I retain the right to display the work in my portfolio.

****Timeline****

1. ****Week 1:**** Mood Board & Concept Development.
2. ****Week 2:**** Refinement & Final Selection.
3. ****Week 3:**** Brand Kit Compilation & Delivery.

****Investment****

* ****Total Cost:**** \$[Amount]

* ****Terms:**** 50% deposit, 50% before final file delivery.

****About Me****

I design identities for startups seeking to enter competitive markets. My process is research-driven, ensuring the logo reflects your market position, not just aesthetic trends.

****Next Steps****

Complete the attached brand questionnaire to begin the mood board phase.

****Scope Creep Clause****

Additional logo concepts requested after the initial 3 are billed at \$[Amount] each.

Template 5: Business Consulting -- Strategic Growth Engagement

****Executive Summary****

Your company has plateaued in revenue growth despite increased marketing spend. This engagement

provides a data-driven diagnostic of your sales funnel and operational bottlenecks, resulting in a 90-day actionable growth roadmap.

****Assessment Methodology****

1. ****Quantitative:**** Analysis of CRM data, financial statements, and marketing analytics.
2. ****Qualitative:**** Stakeholder interviews (up to 5 key team members) and customer feedback synthesis.
3. ****Benchmarking:**** Comparison against industry KPIs.

****Scope of Work****

* ****Included:**** Diagnostic assessment, 90-day strategic roadmap, 4 bi-weekly strategy sessions,
and implementation support for the first 30 days.

* ****Not Included:**** Execution of tasks (e.g., I will not write the code or run the ads), hiring, or legal/financial advice.

****Implementation Support****

Weekly 30-minute check-ins during the first month to ensure the roadmap is being executed effectively and to adjust tactics in real-time.

****Timeline****

* ****Week**
