Freelance Project Proposal Templates: 5 Industries, Win-Ready

Industry 1: Web Design & Development -- E-commerce Rebuild

****Executive Summary****

Your current e-commerce platform is leaking revenue due to slow load times and a confusing checkout

flow. Data shows a 40% cart abandonment rate. I propose a complete rebuild using [Tech Stack, e.g.,

Shopify Plus/Headless Next.js] to reduce load time to under 2 seconds and increase conversion by

15-20%. This solution focuses on speed, mobile optimization, and streamlined user journey.

****Scope of Work****

* ****Included:**** UX audit, UI design for 5 core pages (Home, Category, Product, Cart, Checkout),

front-end development, CMS integration, basic SEO setup, and QA testing.

* ****Excluded:**** Copywriting for product descriptions (unless specified), third-party app subscriptions, ongoing content management, and paid ad management.

****Timeline****

* ****Phase 1: Discovery & Wireframes (Week 1):**** Stakeholder interviews, sitemap creation, low-

fidelity wireframes. *Milestone: Approved Wireframes.*

* ****Phase 2: UI Design (Weeks 2-3):**** High-fidelity mockups for mobile and desktop. *Milestone:

Approved Designs.*

* **Phase 3: Development & Integration (Weeks 4-6):** Front-end build, CMS setup, payment gateway integration. *Milestone: Staging Site Live.*

* **Phase 4: QA & Launch (Week 7):** Cross-browser testing, bug fixes, DNS migration. *Milestone: Go-Live.*

****Investment****

* **Total Project Fee:** \$[Amount]

* **Payment Terms:** 50% deposit to secure start date; 25% due upon design approval; 25% due at launch.

* **Recurring Costs:** Hosting and third-party app fees are billed directly to your account.

****About Me****

I specialize in high-conversion e-commerce builds for [Industry/Niche]. Recently, I helped [Client Name] increase their average order value by 22% through a similar rebuild. My focus is not just aesthetics, but engineering for conversion.

****Next Steps****

1. Review this proposal.
2. Sign the attached agreement.
3. Submit the 50% deposit.
4. Schedule our Kickoff Call (link in contract).

****Scope Creep Clause****

Any changes to the approved wireframes or functional requirements after Phase 1 approval will be treated as Change Orders. Additional hours are billed at \$[Rate]/hr.

Industry 2: Copywriting -- Website Copy Package (5 Pages)

****Executive Summary****

Your website currently informs but does not convert. Visitors leave because the messaging is generic and lacks a clear call to action. Based on our discovery call, I propose a 5-page copy package that aligns your brand voice with your customer's pain points, driving them toward [Primary Goal, e.g.,

booking a demo].

****Scope of Work****

* ****Included:**** Copy for Home, About, Services, Case Studies, and Contact pages. Tone of voice

guide (1 page). SEO meta descriptions for all pages.

* ****Excluded:**** Blog posts, email sequences, video scripts, and graphic design implementation.

****Discovery Call Findings****

* ****Auditor Pain Point:**** Difficulty trusting new vendors.

* ****Key Benefit to Highlight:**** Risk-reversal guarantees and transparent pricing.

* ****Voice:**** Professional yet approachable, avoiding jargon.

****Timeline****

* ****Week 1:**** Research & Strategy (Competitor analysis, keyword mapping). *Milestone: Copy Strategy Deck Approved.*

* ****Week 2:**** Drafting (First pass of all 5 pages). *Milestone: Drafts Delivered.*

* ****Week 3:**** Revision & Finalization (One round of revisions). *Milestone: Final Files Delivered.*

****Investment****

* ****Total Fee:**** \$[Amount]

* ****Payment Terms:**** 50% upfront, 50% upon delivery of final files.

****About Me****

I write copy that sells, not just decorates. With 5+ years in [Industry], I've helped [Client] generate \$[Amount] in pipeline through landing page optimization. I speak your customer's language so you don't have to guess.

****Next Steps****

Sign the contract and send the 50% deposit to lock in your start date for [Month].

****Scope Creep Clause****

This proposal includes one (1) round of revisions. Additional revision rounds or requests for new pages will be billed as a separate project at \$[Rate]/page.

Industry 3: Social Media Management -- 3-Month Retainer

****Executive Summary****

Inconsistent posting is hurting your brand's visibility. I propose a 3-month management retainer to establish a consistent presence on [Platform 1] and [Platform 2]. This engagement focuses on community engagement and lead generation, not just vanity metrics.

****Scope of Work****

- * ****Included:**** 4 posts/week (carousel/single image), 2 stories/week, community management (replying to comments/DMs for 5 days/week), monthly strategy review, and monthly performance report.

- * ****Excluded:**** Ad spend management, video production/editing (static images only), and influencer outreach.

****Content Pillars****

1. ****Educational:**** Tips on [Topic].
2. ****Social Proof:**** Client testimonials and case studies.
3. ****Behind the Scenes:**** Team culture and process.
4. ****Promotional:**** Direct offers and product highlights.

****Reporting Cadence****

- * ****Monthly Report:**** Delivered on the 1st of each month. Includes reach, engagement rate, follower growth, and lead conversions (if tracked).

- * ****Quarterly Review:**** Deep-dive strategy adjustment call.

****Timeline****

- * ****Week 1:**** Onboarding, asset gathering, content calendar approval.
- * ****Months 1-3:**** Active management, monthly reporting, and iterative optimization.

****Investment****

- * ****Monthly Fee:**** \$[Amount]/month
- * ****Total 3-Month Investment:**** \$[Amount]
- * ****Payment Terms:**** Paid monthly in advance.

****About Me****

I turn social feeds into sales funnels. I previously managed accounts for [Client] growing their following by 30% in 90 days. I treat your social channels as a top-of-funnel asset, ensuring every post drives toward business goals.

****Next Steps****

Approve the monthly retainer and sign the MSA. We will schedule a 30-minute onboarding call to collect assets and login details.

****Scope Creep Clause****

This retainer covers 4 feed posts and 2 stories weekly. Additional posts, video edits, or ad management must be purchased as add-ons at \$[Rate]/item.

Industry 4: Brand Identity Design -- Logo + Brand Kit

****Executive Summary****

Your current brand visuals do not reflect your premium positioning. I propose a comprehensive brand identity refresh to align your visual language with your market value. This project will deliver a versatile logo system and a brand kit that ensures consistency across all touchpoints.

****Scope of Work****

* ****Included:**** 3 initial logo concepts, 1 round of revisions, final logo files (SVG, PNG, PDF, EPS), color palette (HEX, RGB, CMYK), typography selection, and a 10-page brand guidelines PDF.

* ****Excluded:**** Business card design, letterhead, merchandise mockups, and web design.

****Deliverables & Rights****

* ****Concepts:**** 3 distinct directions.

* ****File Formats:**** Vector (editable) and raster (web/print) formats.

* ****Usage Rights:**** Full commercial usage rights transferred to you upon final payment. I will retain the right to display the work in my portfolio.

****Timeline****

* ****Week 1:**** Brand questionnaire and mood board creation. *Milestone: Mood Board Approved.*

* ****Week 2:**** Development of 3 logo concepts. *Milestone: Concept Presentation.*

* ****Week 3:**** Refinement of chosen concept and brand kit assembly. *Milestone: Final Files Delivered.*

****Investment****

* ****Total Fee:**** \$[Amount]

* ****Payment Terms:**** 50% deposit, 50% due upon presentation of concepts (not upon final delivery).

****About Me****

I design brands that stand out. My work has been featured in [Publications] and I've rebranded

[Client] to help them raise \$[Amount] in funding. I focus on timeless design that scales with your business.

****Next Steps****

Sign the agreement and pay the deposit to begin the discovery phase.

****Scope Creep Clause****

This proposal includes one round of revisions on the selected concept. Additional concepts, revisions, or collateral design will be billed separately at \$[Rate]/hr.

Industry 5: Business Consulting -- Strategic Growth Engagement

****Executive Summary****

Your business is facing a plateau in revenue growth
