1. ****Subject: Quick question about [Client's Company]'s brand consistency****

Hi [Name],

I noticed your Instagram feed is vibrant, but your website's color palette feels disconnected from your socials. I specialize in unifying visual identities for tech startups. I recently helped [Similar Client] increase engagement by 30% through a cohesive rebrand. Do you have 10 minutes this week to chat about streamlining your visual assets?

Best,

[Your Name]

2. ****Subject: Idea for [Client's Product] launch visuals****

Hi [Name],

I was looking at your upcoming launch of [Product Name] and sketched a quick concept for the hero image that highlights your key benefit: [Benefit]. I've attached the rough draft. If this resonates, I'd love to discuss how I can refine this into a full campaign kit for you.

Best,

[Your Name]

3. ****Subject: Scaling your design team (without hiring)****

Hi [Name],

Growing companies often struggle with design bottlenecks. I act as an on-demand senior designer for [Niche] brands, handling UI/UX and brand assets without the overhead of a full-time hire. I have capacity for two new partners this month. Is this something you're considering?

Best,

[Your Name]

4. ****Subject: Fixing your checkout page drop-off****

Hi [Name],

A/B testing your current checkout flow, I noticed the mobile experience has friction points that likely cost you sales. I specialize in conversion-focused UI design. I can audit your funnel and provide three specific fixes within 48 hours. Interested in seeing the results?

Best,

[Your Name]

5. ****Subject: [Client's Company] + [Your Portfolio Piece]: A perfect fit****

Hi [Name],

I built a similar dashboard interface for [Competitor/Peer], which reduced user onboarding time by 40%. Given your focus on [Specific Feature], I believe my experience in [Specific Tech/Style] is exactly what you need. Can I share the case study?

Best,

[Your Name]

Copywriting & Content Strategy

6. ****Subject: Your blog traffic is leaking here****

Hi [Name],

I read your latest post on [Topic]. It's great, but the CTA is weak. I specialize in direct-response copy that converts readers into leads. I can rewrite your top-performing articles to drive email signups. Would you like a free sample rewrite of your most recent post?

Best,

[Your Name]

7. ****Subject: 5 hook ideas for your next newsletter****

Hi [Name],

Your newsletter has a high open rate, but the subject lines could be punchier. Here are five A/B tested hooks based on your current tone:

1. [Hook 1]

2. [Hook 2]

3. [Hook 3]

If you want, I can take over your subject line testing for the next month to boost open rates.

Best,

[Your Name]

8. ****Subject: Scaling your content machine****

Hi [Name],

You're publishing high-quality content, but consistency is hard to maintain. I provide ghostwriting and content strategy for [Niche] founders, ensuring you publish 4 high-converting pieces weekly without lifting a finger. Are you open to a brief call to discuss your content goals?

Best,

[Your Name]

9. **Subject: Turning your webinar into evergreen sales**

Hi [Name],

Your recent webinar on [Topic] had great energy. I can transcribe, edit, and turn it into a high-converting blog post and email sequence. This extends the lifespan of your best content. Want me to

send a sample transcript?

Best,

[Your Name]

10. **Subject: Your landing page copy needs a tweak**

Hi [Name],

Your hero headline is descriptive, not persuasive. Change "We offer [Service]" to "How we save [Client Type] [Time/Money]." I specialize in B2B SaaS copy that clarifies value propositions. I can audit your top 3 pages for free. Interested?

Best,

[Your Name]

Web Development & Tech

11. **Subject: Reducing your page load time**

Hi [Name],

Your site currently loads in 4.2 seconds. On mobile, this loses 25% of potential customers. I specialize in performance optimization. I can get you under 2 seconds without changing your design.

Would you like a free speed audit?

Best,

[Your Name]

12. **Subject: Integrating [Tool A] with [Tool B]**

Hi [Name],

I see you use [Tool A] for CRM and [Tool B] for marketing. They don't sync natively. I build custom

integrations to automate data flow between these tools, saving your team hours of manual entry.

Can

I show you a demo of a similar integration I built?

Best,

[Your Name]

13. ****Subject: Fixing your 404 error loop****

Hi [Name],

I clicked on a link in your email and hit a broken page. This hurts your SEO and user trust. I can fix this and audit your entire site for broken links and security vulnerabilities. Quick fix, big impact. Available this week?

Best,

[Your Name]

14. ****Subject: Migrating to [Platform] without downtime****

Hi [Name],

Moving to [New Platform] seems daunting. I handle seamless migrations for [Industry] companies, ensuring zero data loss and minimal SEO impact. I have a checklist for a smooth transition. Want to

see it?

Best,

[Your Name]

15. ****Subject: Adding a booking feature to your site****

Hi [Name],

Your customers are emailing you for appointments. This creates friction. I can add a seamless, calendar-integrated booking system to your site in 5 days. This reduces back-and-forth by 90%.

Interested in a quick demo?

Best,

[Your Name]

Digital Marketing & Growth

16. ****Subject: Your ad spend is leaking here****

Hi [Name],

Your CTR is good, but your conversion rate is low. This suggests a landing page mismatch. I specialize in landing page optimization for [Niche]. I can A/B test your headlines and CTAs to boost

conversions by 20%. Want a free audit?

Best,

[Your Name]

17. **Subject: Building a referral engine for [Client]**

Hi [Name],

Your customers love you, but they're not telling others. I build automated referral programs that turn happy users into advocates. I recently helped [Similar Client] acquire 500 new users via referrals in 3 months. Can I send you the framework?

Best,

[Your Name]

18. **Subject: SEO gap analysis for [Keyword]**

Hi [Name],

You're ranking on page 3 for [Keyword]. With minor content updates and internal linking fixes, you can reach page 1. I've done this for 10+ [Niche] sites. Would you like a free 3-point action plan?

Best,

[Your Name]

19. **Subject: Automating your social media presence**

Hi [Name],

Your social activity is sporadic. I can set up a 30-day content calendar and automation workflow so

your brand stays visible while you focus on business. This includes repurposing your blog posts into

social snippets. Interested in a trial month?

Best,

[Your Name]

20. **Subject: Re-engaging your dormant email list**

Hi [Name],

You have [Number] subscribers who haven't opened an email in 6 months. I can create a 3-part win-

back sequence that reactivates 10-15% of this list. Low effort, high ROI. Want to see the sequence

draft?

Best,

[Your Name]

Virtual Assistance & Operations

21. ****Subject: Reclaiming 10 hours a week****

Hi [Name],

Running a [Niche] business means you're doing admin work that should be delegated. I handle inbox management, scheduling, and data entry for busy founders. This frees you to focus on high-value tasks. Can I take over your inbox for a trial week?

Best,

[Your Name]

22. ****Subject: Fixing your CRM chaos****

Hi [Name],

If your leads are scattered across spreadsheets and inboxes, you're losing money. I specialize in CRM setup and data hygiene. I can clean your database and set up automated follow-ups to ensure no lead falls through the cracks. Interested?

Best,

[Your Name]

23. ****Subject: Standardizing your onboarding process****

Hi [Name],

New client onboarding feels ad-hoc. I can create a step-by-step SOP (Standard Operating Procedure) that ensures every client gets the same great experience, reducing your time spent on explanations by 50%. Want a sample SOP?

Best,

[Your Name]

24. ****Subject: Managing your influencer outreach****

Hi [Name],

Finding and vetting influencers takes hours. I manage end-to-end influencer campaigns: sourcing, outreach, and contract negotiation. I
