20 YouTube Video Script Templates for Creators

Welcome to your complete toolkit for high-retention video scripting. These templates are designed to maximize viewer retention and algorithmic favor. Each template includes specific structural guidance, hook variations, and call-to-action (CTA) options.

Template 1: The List Video ("10 Things That...")

****Structure:****

- * ****Hook (0:00-0:15):**** State the list count and the biggest benefit or surprise item immediately.
- * ****Rapid Fire Intro (0:15-0:30):**** Briefly mention items 1-3 to build curiosity, then transition to the main content.
- * ****Body (0:30-8:00):**** Numbered sections. Start with strong items, save the most controversial or valuable for #1. Keep each item under 45 seconds. Use B-roll for every point.
- * ****Close (8:00-8:30):**** Summarize the top 3 takeaways.

****Hook Options:****

1. "Here are 10 things you're doing wrong with [Topic], and #1 is probably the most common mistake."
2. "I tested 50 methods for [Goal], and only these 10 actually worked."
3. "If you want [Desired Outcome] faster, stop doing these 10 things immediately."

****CTA Options:****

1. "Which one surprised you? Let me know in the comments."
2. "Subscribe for more [Niche] tips every week."
3. "Watch this next to see how to apply #1 in practice."

Template 2: Tutorial / How-To

****Structure:****
