## ChatGPT Prompts for Coaches + Consultants: 150 Client Scripts

This digital product is designed to transform how coaches and consultants interact with their clients and market their services. By leveraging AI, you can streamline administrative tasks, deepen client relationships, and create high-converting marketing assets with precision. Below are 150 copy-paste ready prompts, organized by the seven key areas of your business. Each prompt includes specific instructions for the AI and placeholders like `[CLIENT NAME]` and `[NICHE]` for immediate customization.

### 1. Discovery Calls

In this section, we focus on qualifying leads and setting the stage for a successful engagement. These prompts help you structure your initial conversations to ensure you are attracting the right clients for your `[NICHE]`.

1. "Act as a senior `[NICHE]` coach. Generate 10 open-ended discovery questions to ask `[CLIENT NAME]` that reveal their current pain points, desired outcomes, and timeline. Focus on questions that uncover the cost of inaction."
2. "Create a 45-minute discovery call agenda for a potential client in `[NICHE]`. Include time blocks for rapport building, problem exploration, solution presentation, and next steps. Ensure the transition to the sales pitch is seamless."
3. "Write three distinct objection-handling scripts for when `[CLIENT NAME]` says, 'I need to think

about it.' Address price sensitivity, timing issues, and trust barriers specifically for a `[NICHE]` coach."

4. "Draft a follow-up email to `[CLIENT NAME]` who had a great discovery call but hasn't booked a

strategy session. Summarize the key insights we discussed, reiterate the value proposition, and include a clear call to action with a deadline."

5. "List 5 qualifying questions to determine if `[CLIENT NAME]` is a good fit for my high-ticket `[NICHE]` program. I want to identify red flags such as lack of commitment or unrealistic expectations."

6. "Roleplay a discovery call. I will play the role of `[CLIENT NAME]`, a skeptical lead in `[NICHE]`. You play the coach. Start by introducing yourself and asking the first qualifying question. Wait for my response."

7. "Create a 'Value Bridge' script to explain to `[CLIENT NAME]` how my specific methodology in `[NICHE]` differs from generic advice. Use a before-and-after framework to highlight the transformation."

8. "Write a short, punchy LinkedIn message to send to `[CLIENT NAME]` after a discovery call to keep the momentum going. Keep it under 50 words and focus on one specific insight they shared."

9. "Develop a set of 5 questions to help `[CLIENT NAME]` articulate their 'Why.' I want them to connect emotionally with their goals in `[NICHE]` so they are more likely to buy."

10. "Draft a script for handling the objection 'I don't have the budget right now' for a `[NICHE]` client. Offer three alternative payment structures or value-adds that maintain the price point while addressing their concern."

11. "Create a checklist for me to use during the discovery call with `[CLIENT NAME]`. Include prompts to check for alignment on values, communication styles, and expectations for the coaching relationship."

12. "Write a follow-up voice note script (30 seconds) for `[CLIENT NAME]` to send immediately after

the call. It should summarize the main takeaway and express enthusiasm about working together."

13. "Generate 5 questions to uncover the hidden limiting beliefs of `[CLIENT NAME]` in `[NICHE]`.

These should be subtle enough to not trigger defensiveness but deep enough to reveal root causes."

14. "Draft a proposal outline for `[CLIENT NAME]` based on a discovery call where they

expressed

interest in `[SPECIFIC GOAL]`. Include sections for Problem, Solution, Investment, and Onboarding."

15. "Create a 'No-Call' follow-up sequence (3 emails) for `[CLIENT NAME]` who booked a discovery

call but no-showed. The tone should be professional, non-judgmental, and focused on rescheduling."

16. "Write a script to handle the question 'How is your approach different from [COMPETITOR]?' for a

`[NICHE]` consultant. Focus on your unique framework and results."

17. "Develop 3 questions to help `[CLIENT NAME]` define what success looks like in 3, 6, and 12 months. Make them specific to `[NICHE]` metrics."

18. "Draft a 'Break the Ice' question for the first 5 minutes of a discovery call with `[CLIENT NAME]` to create immediate rapport, avoiding small talk about the weather."

19. "Create a summary template for the discovery call notes for `[CLIENT NAME]`. Include fields for

Client Goals, Main Obstacles, Budget Range, and Decision Timeline."

20. "Write a script to gracefully end a discovery call where `[CLIENT NAME]` is clearly not a fit. Be polite, explain the mismatch, and offer one resource that might help them without a sale."

## 2. Client Sessions

These prompts are designed to enhance the actual coaching or consulting sessions, ensuring structure, depth, and meaningful progress for your `[NICHE]` clients.

21. "Act as a Socratic coach. Generate 5 follow-up questions to ask `[CLIENT NAME]` after they state, 'I'm just not ready.' I want to help them explore what 'ready' means to them."

22. "Create a session opener script for `[CLIENT NAME]`'s third session in `[NICHE]`. Ask for a quick win from the last two weeks and identify one major challenge to focus on today."

23. "Draft a 'Breakthrough Prompt' for `[CLIENT NAME]` who is stuck on `[SPECIFIC ISSUE]`. Use a

reframing technique to help them see the situation from a new perspective."

24. "Write a progress check-in email to `[CLIENT NAME]` halfway through their `[NICHE]` program. Ask

for a self-assessment on a 1-10 scale for their confidence and action-taking."

25. "Generate 3 powerful closing questions for a session with `[CLIENT NAME]` to ensure they leave

with clarity and commitment to one specific action step."

26. "Create a 'Accountability Contract' template for `[CLIENT NAME]` to sign at the start of our next phase. Include fields for commitment, deadline, and consequence for non-compliance."

27. "Draft a script for when `[CLIENT NAME]` is venting without seeking a solution. How do I gently

pivot the conversation from complaint to action?"

28. "Write a summary email for `[CLIENT NAME]`'s session today. Highlight the key insights, the agreed-upon action steps, and a personal note of encouragement."

29. "Develop a 'Vision Board' exercise guide for `[CLIENT NAME]` in `[NICHE]`. Provide step-by-step

instructions for a 20-minute virtual or in-person session."

30. "Create 5 questions to help `[CLIENT NAME]` identify their 'Saboteur Thoughts' in `[NICHE]`. Focus on cognitive distortions that hinder progress."

31. "Draft a 'Reset' session agenda for `[CLIENT NAME]` who is feeling overwhelmed. Focus on simplifying their current goals and prioritizing the top 3 actions."

32. "Write a script to handle `[CLIENT NAME]`'s resistance to trying a new strategy in `[NICHE]`. Use the 'Permission Slip' technique to lower their anxiety."

33. "Generate a 'Pre-Session Prep' questionnaire for `[CLIENT NAME]` to fill out 24 hours before our

next meeting. Include questions about wins, struggles, and energy levels."

34. "Create a 'Milestone Celebration' script for `[CLIENT NAME]` who has just achieved `[SPECIFIC

GOAL]`. Make it celebratory but also forward-looking."

35. "Draft a 'Difficult Conversation' script for when `[CLIENT NAME]` has missed two consecutive action steps. Be direct, compassionate, and focused on solutions."

36. "Write a 'Hypothetical Future' prompt for `[CLIENT NAME]`. Ask them to imagine it is one year from now and they have succeeded in `[NICHE]`. What does their day look like?"

37. "Develop a 'Strengths Inventory' exercise for `[CLIENT NAME]` to identify their top 3 strengths that can be leveraged in `[NICHE]`."

38. "Create a 'Problem-Solving' framework for `[CLIENT NAME]` to use between sessions when they face

obstacles. Include steps for defining the problem, brainstorming solutions, and selecting one."

39. "Draft a 'Feedback Loop' question to ask `[CLIENT NAME]` at the end of each session: 'What is

one thing I did well, and one thing I could do differently to better support you?'"

40. "Write a 'Commitment Letter' template for `[CLIENT NAME]` to write to themselves. It should

outline their intention for the next 30 days in `[NICHE]`."

### **3. Client Communication**

Maintaining momentum between sessions is crucial. These prompts help you craft consistent, engaging,
