ChatGPT Prompts for Etsy Sellers: 100 Listing + Marketing Prompts

Welcome to your ultimate toolkit for scaling your Etsy business. These 100 prompts are engineered to save you hours of creative block and strategic planning. Copy, paste, and customize the bracketed variables to generate high-converting content instantly.

Product Listing Copy (30 Prompts)

****1.**** "Act as an Etsy SEO expert. Write 5 title options for [Product Name] that are under 140 characters. Prioritize high-volume keywords like [Keyword 1] and [Keyword 2]. Ensure the titles read naturally to humans while maximizing search visibility." *(Best for: All)*

****2.**** "Write a compelling product description for a [Product Type, e.g., Digital Planners]. Use a conversational tone. Start with a hook addressing the customer's pain point of [Pain Point]. Include benefits, not just features. End with a clear call to action." *(Best for: Printables/Digital)*

****3.**** "Create a bullet-point feature list for my [Handmade Jewelry] item. Focus on materials used ([Material]), durability, and unique design elements. Keep each bullet under 15 words for mobile readability." *(Best for: Handmade)*

****4.**** "Draft an 'About This Item' section for a [Vintage Clothing] piece from the [Decade]. Highlight its provenance, condition details, and size specifics. Use language that evokes nostalgia and exclusivity." *(Best for: Vintage)*

****5.**** "Write a 200-word description for a [Printable Wall Art] set. Focus on the aesthetic style ([Style, e.g., Boho, Minimalist]) and how it enhances home decor. Mention that it is instant download and includes print instructions." *(Best for: Printables)*

****6.**** "Generate 5 FAQ questions and answers for my [Handmade Candle] listing. Address common concerns about scent throw, burn time, and safety. Keep answers concise and reassuring." *(Best for: Handmade)*

****7.**** "Write a shipping policy snippet for a [Fragile Glassware] item. Clearly state that shipping is not responsible for breakage during transit if packaging is compromised, but offer a replacement policy for verified damage." *(Best for: Handmade)*

****8.**** "Create a description for a [Custom Pet Portrait] service. Emphasize the personalization process, the artist's skill, and the digital file format provided. Include a step-by-step guide on how to upload reference photos." *(Best for: Digital/Service)*

****9.**** "Write a 'What You Get' section for a [E-book Bundle]. List exactly what files are included (PDF, EPUB, etc.), file sizes, and compatibility with devices like Kindle and iPad." *(Best for: Printables/Digital)*

****10.**** "Draft a description for a [Custom Name Necklace]. Highlight the engraving options, metal types available, and the sentimental value of personalized gifts. Use emotional trigger words." *(Best for: Handmade)*

****11.**** "Write a short, punchy description for a [Vintage Band T-Shirt] in size M. Mention the original era, fabric quality, and any visible wear to set accurate expectations. Use vintage-specific terminology." *(Best for: Vintage)*

****12.**** "Create 3 variations of a product title for [Digital Sticker Pack]. Variation 1: SEO-heavy. Variation 2: Benefit-driven. Variation 3: Creative/Brand-focused. All must be under 120 characters." *(Best for: Printables)*

****13.**** "Write a description for a [Handmade Soap] bar. Focus on skin benefits of ingredients like [Ingredient]. Mention that it is hypoallergenic and suitable for sensitive skin. Avoid medical claims." *(Best for: Handmade)*

****14.**** "Draft a FAQ for a [Printable Wedding Invitation] listing. Address questions about editing

capabilities, fonts included, and how to get the final files for the printer." *(Best for: Printables)*

15. "Write a description for a [Vintage Leather Jacket]. Detail the patina, stitching quality, and fit. Use descriptive adjectives that convey luxury and history." *(Best for: Vintage)*

16. "Create a 'How to Use' guide for a [Digital Budget Spreadsheet]. Explain the tabs, formulas, and customization options. Keep instructions simple for non-technical users." *(Best for: Printables)*

17. "Write a description for a [Handmade Ceramic Mug]. Highlight the glaze colors, capacity, and dishwasher/microwave safety. Mention that no two pieces are exactly alike." *(Best for: Handmade)*

18. "Draft a shipping policy for international buyers of [Small Jewelry]. State that customs fees are the buyer's responsibility and provide estimated delivery times for major regions." *(Best for: Handmade)*

19. "Write a description for a [Digital Font] pack. List the number of styles included, license terms (personal vs. commercial), and supported operating systems." *(Best for: Printables)*

20. "Create a title for a [Vintage Vinyl Record] by [Artist]. Include the year, format (LP/Single), and condition grade (e.g., VG+). Ensure it targets collectors searching for specific pressings." *(Best for: Vintage)*

21. "Write a 'Why Choose Us' section for a [Custom Crochet Blanket] shop. Highlight the use of 100% cotton yarn, hand-stitched finishing, and the artist's 10 years of experience." *(Best for: Handmade)*

22. "Draft a description for a [Printable Photo Frame]. Mention the aspect ratio, border options, and suitability for professional headshots or family photos." *(Best for: Printables)*

23. "Write a description for a [Vintage Watch]. Include the brand, model number, movement type, and battery status. Be transparent about any scratches or replaced parts." *(Best for: Vintage)*

24. "Create a FAQ for a [Digital Course] sale. Address questions about access duration, certificate of completion, and refund policy for digital goods." *(Best for: Printables/Digital)*

25. "Write a description for a [Handmade Macrame Plant Hanger]. Specify the rope material,

knot

types used, and the maximum plant pot size it can support." *(Best for: Handmade)*

****26.**** "Draft a title for a [Digital Color Palette] for designers. Include the number of palettes, HEX codes included, and compatibility with design software." *(Best for: Printables)*

****27.**** "Write a description for a [Vintage Postcard Set]. Highlight the themes (e.g., Travel, Flora) and the era of the postcards. Mention the physical condition of the paper." *(Best for: Vintage)*

****28.**** "Create a 'Care Instructions' section for [Handmade Leather Wallet]. Detail how to condition

the leather, avoid moisture, and store the item to maintain its shape." *(Best for: Handmade)*

****29.**** "Write a description for a [Digital Resume Template]. Highlight ATS-compatibility, customizable fields, and the inclusion of a portfolio section." *(Best for: Printables)*

****30.**** "Draft a description for a [Vintage Book]. Include the author, title, edition, and any unique features like a signed copy or dust jacket presence." *(Best for: Vintage)*

Etsy SEO and Keywords (20 Prompts)

****31.**** "Generate 15 long-tail keywords for [Product Name] that have low competition but high intent. Avoid generic terms; focus on specific use cases or target audiences." *(Best for: All)*

****32.**** "Analyze the following competitor listing title: '[Competitor Title]'. Identify the top 3 keywords they are ranking for and suggest 3 alternative keywords with similar search volume but less competition." *(Best for: All)*

****33.**** "Create a keyword list of 30 terms based on the seed keyword '[Seed Term]'. Categorize them into: Primary, Secondary, and Long-tail. Ensure they are relevant to [Product Type]." *(Best for: All)*

****34.**** "Write 5 alt-text descriptions for my product photos. Photo 1: [Description]. Photo 2: [Description]. Ensure the alt text includes the main keyword [Keyword] and describes the visual accurately for accessibility." *(Best for: All)*

****35.**** "Generate a set of 13 tags (max 20 characters each) for my [Product Name] listing. Use multi-word phrases where possible to capture specific search queries." *(Best for: All)*

****36.**** "Identify 5 trending keywords in the [Niche] niche on Etsy for [Season/Year]. Suggest how to integrate these into a listing for [Product Type]." *(Best for: All)*

****37.**** "Rewrite this product title to improve SEO: '[Current Title]'. Move the most important keyword to the front and remove redundant words. Keep it under 140 characters." *(Best for: All)*

****38.**** "List 10 'who' keywords for my [Product] (e.g., 'gift for him', 'for teachers'). These should target specific buyer personas." *(Best for: All
